Aldermen Keane and Holman raised points of order, as to each of the proposed amendments, stating that the proposed amendments were incomplete and not in proper form, in that they did not amend the totals of the various sections which the proposed amendments were attempting to change, and further, that the amendments did not amend the section relating to the sources of revenue by either increasing or decreasing such section, so as to relate the effect of the changes, and therefore, if the proposals were adopted as presented, the budget would be out of balance.

The Chair sustained each point of order raised by Aldermen Keane and Holman. Alderman Despres in each instance Appealed the decision of the Chair, and in each instance the Chair put the question *"Shall the decision of the Chair be sustained?"*. In each case, the decision of the Chair was *Sustained* (Alderman Despres voting "No").

ELECTRICAL CONSTRUCTION CAPITAL ACCOUNT

The Electrical Construction Capital Account is established for the purpose of constructing, maintaining and repairing street lighting and other public electric facilities, and for the purpose of purchasing and maintaining a stock of material and supplies in connection therewith, the expense of which is to be reimbursed from appropriations of City funds, from funds of other governmental agencies or by private persons.

This account shall be maintained and used subject to the conditions and limitations of Sections 7-24.1 to 7-24.10 of the Municipal Code of Chicago and the conditions and limitations herein set forth.

Charges shall be based on the total cost of furnishing material and services, including for incidental and overhead expense, not to exceed the following percentages: Twenty per cent of the direct labor charges and seven per cent of the material and other charges; provided that charges for the use of trucks, compressors, mixers and other rolling and mechanical equipment shall be made on a unit rate per day or other unit as shall be determined by the Commissioner of Streets and Sanitation and approved by the Comptroller. Such unit rate or other basis of charge shall be determined and shall be adjusted from time to time on the basis of actual cost for furnishing the use of such equipment, which cost shall include expense incidental to the maintenance, housing and operation of such rolling and mechanical equipment and an appropriate charge for depreciation. The rates or other basis as determined from time to time shall be reported to the Committee on Finance of the City Council showing the various details included as parts of the total rate or other basis.

A reserve for depreciation shall be set up for all charges for depreciation included in the costs. Amounts equivalent to the periodic charges for depreciation shall be transferred from the general cash of the Electrical Construction Capital Account to a depreciation reserve fund and expended therefrom for the replacement of rolling and mechanical equipment.

Expenditures are authorized to be made for material and supplies for hire of trucks and other equipment and for other services

ENGINEERING REVOLVING FUND

The Engineering Revolving Fund is established for the purpose of doing the necessary work in connection with the engineering, inspection and supervision of projects under the jurisdiction or supervision of the Department of Public Works of the City of Chicago, the expense of which is to be reimbursed from appropriations of the City funds, from funds of other governmental agencies or by private persons.

This account shall be maintained and used subject to the conditions and limitations of Section 7-24.1 to 7-24.10 of the Municipal Code of Chicago and to the conditions and limitations herein set forth.

Charges shall be based on the total cost of furnishing the services including not to exceed twenty percent for overhead and incidental expenses, provided that the engineering and drafting furniture, machinery and equipment used in the furnishing of services shall be charged for at fair rates as established by the department, subject to the approval of the Comptroller. Such rates for furniture and equipment used in furnishing of services shall be determined and shall be adjusted from time to time on the basis of actual cost for furnishing the use of such equipment, which cost shall include expense incidental to the maintenance and operation of such equipment and furniture and an appropriate charge for depreciation. The rates or other basis as determined from time to time shall be reported to the Committee on Finance of the City Council showing the various details included as parts of the total rate or other basis.

A reserve for depreciation shall be set up for all charges for depreciation included in the costs. Amounts equivalent to the periodic charges for depreciation shall be transferred from the general cash of the Engineering Revolving Fund to a Depreciation Reserve Fund and expended therefrom for the replacement of equipment.

Expenditures are authorized for all items as may be necessary, as shall enter into or become a part of the cost of furnishing the services herein authorized.

Expenditures for salaries and wages, including increments for schedule salary adjustments, and compensation for use of personally-owned automobiles are limited to such positions, such number of positions, and rates of compensation as are specified hereunder.

Additional compensation of twenty-five cents per hour is authorized to be paid to employes during such periods as they may work under compressed air.

Overtime at established rates is authorized to be paid to employes.

DEPARTMENT OF STREETS AND SANITATION

BUREAU OF STREET TRAFFIC

The Bureau determines the need for those improvements of streets and intersections that will facilitate the movement of traffic. It checks engineering designs of such facilities, from the traffic engineering standpoint. It determines the need for, and orders installation of traffic signals, traffic and directional street signs. The Bureau analyzes traffic accident records, develops accident prevention measures, and otherwise promotes traffic safety.

The plan will include the overall perspective of the Lake Michigan shore line, policies for the Chicago Lakefront, adjacent land uses and potential changes, ecological and historical development of the lakefront, access, circulation and parking, land fill potentials and techniques, recreation demand, pollution, legal issues such as air-rights development, non-recreational uses outside the lakefront parks, including public facilities, industrial, residential and port activity, lakefront uses and functional linkages, design studies especially related to land form, economic and social benefits of added park land. Alternative schemes of these considerations will be explored and presented. In accordance with the Basic Policies Report for the Lakefront, this study will explore the sector approach that recognizes the fact that various parts of the lakefront have developed in different ways and have varying potentials for new development. Three main sectors are herein defined: North (above North Avenue), Central (between North Avenue and 26th Street) and South (below 26th Street).

b. Prepare a series of studies for two special areas within the central sector of the City where urgent issues require policy statements by the Department of Development & Planning and the City of Chicago, described as follows:

Grand Avenue to Randolph Street — The principal issue is the development of the lakefront north and south of the Chicago River. Its density, type of development, traffic systems and relationship to the lakefront will be the principal focus. Related issues include the future of Navy Pier and the rebuilding of the Dime Pier. An illustrative site plan and development controls will be formulated to aid the Department of Development and Planning in achieving the highest standards possible of public and private development under Planned Development provisions of the Zoning Ordinance.

Roosevelt Road to 26th Street — The principal issue is the proposed expansion of McCormick Place. Related issues include the future of Meigs Airport and the future of Soldier Field. Study will include the need for expansion, alternative methods of expansion, parking demands, circulation demands, and convention facility demands. This study will necessarily require the assistance of a planning consultant, traffic consultant and a consultant specialist in convention needs.

In the event it becomes necessary for the Contractor to call upon special professional technical assistants to contribute to portions of the foregoing Lakefront Study, the Contractor will, only after receiving prior authorization from the Contractee, employ them and will direct and coordinate their efforts provided that prior to their being employed by the Contractor, the Contractee may also require any and all such special professional technical assistants to file with him credentials certifying their ability to perform the work requested by the Contractor and also provided that the work is performed in accord with all other applicable provisions of this Contract. d. The Contractor shall, at the request of the Superintendent, on behalf of Contractee, meet with the Commissioner, the General Superintendent of the Chicago Park District and members of their staffs from time to time and as may be necessary for the successful completion of the Lakefront Study.

e. As technical analyses proceed, the Contractor will develop and distribute graphic illustrations of conceivable plans, oriented to a basic categorization of concept types, which will be revised and developed by the Contractor as suggested by the Contractee. The principal goals of this portion of the study will be the identification of specific study areas, their relationship to total lakefront development and the approach which could result in a solution.

f. Preparation and publication of a report document shall be the responsibility of the Contractee.

Part III	Exhibits and Attachments lettered "A" and "B"

all constituting the entire agreement between the parties, and no warranties, inducements, considerations, promises or other inferences shall be implied or impressed upon such agreement that are not set forth herein at length.

Part I—General Conditions

Article I

This agreement shall be subject and subordinate to any existing or future lease or agreement between Lessor and the United States or the State of Illinois relative to the development, construction, operation, or maintenance of the Chicago Skyway Toll Bridge, the execution of which has been or may be required as a condition precedent to the expenditure of Federal or State funds for the development, construction, operation or maintenance of said Chicago Skyway Toll Bridge, and is made expressly pursuant and subject to the provisions of an ordinance passed by the City Council of the City of Chicago June 16, 1955 (C.J.P. 4712489).

Article II

The Lessee shall not assign or transfer this agreement or any of the rights or privileges granted hereby, except that the Lessee shall have the right to consolidate with or merge into or sell all or substantially all of its assets, including this agreement, to another corporation, the net worth of which corporation after the consummation of any such consolidation, merger or sale shall be equal to or greater than the net worth of Lessee immediately prior to such consummation, and in such event this agreement shall continue in full force and effect, provided such successor corporation at the time of the consummation of such consolidation, merger or acquisition shall execute an instrument in writing duly assuming all of the obligations and liability imposed upon the Lessee hereunder thereafter accruing and deliver the same to the Lessor within five (5) days after the execution thereof. The Lessee named herein shall thereafter be released from all liability hereunder thereafter accruing.

The Lessee shall not enter into any contract requiring or permitting the doing of anything here-

under by an independent contractor, unless otherwise expressly provided herein, without prior approval of Lessor. Lessee further agrees that it shall not enter into any agreement of any nature, formal or informal, concerning other business activities on the demised premises with any individual, partnership or corporation without prior approval of Lessor, it being understood that the only activity that Lessee may conduct, directly or indirectly, alone or through others, on, upon or from the demised premises is as authorized under the terms of this agreement.

It is mutually understood and agreed that nothing contained in this agreement is intended, or shall be construed, as in any way creating or establishing the relationship of copartners or joint venturers between the parties hereto, or as constituting the Lessee as the agent or representative of the Lessor for any purpose or in any manner whatsoever.

Article III

Lessee has examined the demised premises prior to, and as a condition precedent to, the execution hereof, and is satisfied with the physical condition of said premises and its taking possession thereof will be conclusive evidence of its receipt of said premises in a safe, sanitary and sightly condition and in good repair.

Article IV

Lessee shall not attach, affix, or permit to be attached or affixed, upon the demised premises, or if so attached or affixed, relocate, replace, alter or modify, without the consent in writing in each instance of the Commissioner of Streets and Sanitation (hereinafter called "Commissioner") first had and obtained, any flags, placards, signs, poles, wires, aerials, antennae, improvements or fixtures. In connection therewith, the Commissioner may require submission of proposed designs, floor plans, construction plans, specifications and contract documents therefor, and if then approved may incorporate all or part thereof within this agreement as attachments hereto.

Article V

Lessee, at its own expense, shall keep the demised premises in a safe, sanitary and sightly condition and in good repair, and shall yield the same back to Lessor upon the termination of this agreement in such condition and repair, ordinary wear and tear and loss by fire or other casualty excepted, and if said premises shall not be so kept by Lessee, Lessor may enter the demised premises (without such entering causing or constituting a termination of this agreement or an interference with the possession of said premises by Lessee) and do all things necessary to restore said premises to the condition herein required, charging the cost and expense thereof to Lessee, and Lessee agrees to pay Lessor, in addition to the rent and charges hereby reserved, all such costs and expenses.

Article VI

Lessee covenants and agrees to keep the demised premises and the improvements situated thereon free and clear of any and all liens in any way arising out of the use thereof by Lessee.

In addition to the rent and charges hereinafter outlined, Lessee shall pay all fees, charges, license fees and taxes of whatever nature, if necessary, as required by law or ordinance of the City of Chicago.

The Lessee shall assume all risks incident to or in connection with its business to be conducted hereunder and Lessor shall not be responsible for any accidents or injuries of whatever nature or kind to persons or property caused by Lessee's operations on said demised premises and which arise from the use thereof by Lessee, and Lessee shall indemnify, defend and save harmless the Lessor, its authorized agents and representatives, from any penalties for violation of any law, ordinance or regulation affecting its operations, and from any and all claims, suits, losses, damages or injuries to persons or property of whatsoever kind or nature arising, directly or indirectly, out of the operation of such business, or resulting from the carelessness, negligence or improper conduct of the Lessee, or any of its agents or employees.

Lessor shall not be liable to Lessee for damage to property of Lessee, or any loss of revenues to Lessee, resulting from Lessor's act, omission or neglect in the maintenance and operation of the Chicago Skyway Toll Bridge.

Article VII

Lessee shall, at its expense, keep in force, during the term of this agreement, insurance issued by responsible insurance companies, in forms, kinds and amounts as determined and directed by the Comptroller of the City of Chicago (hereinafter called Comptroller) for the protection of Lessor and/or Lessee. Insurance requirements hereunder shall be subject to the sole determination of the Comptroller.

Said insurance may include, but need not be limited to, insurance coverages commonly known as, or similar in kind to, Public Liability, Products Liability, Property Damage, Fire and Extended Coverage, Workmen's Compensation, Scaffolding Act, and such other insurance coverage as deemed required in the sole determination of the Comptroller. All policies or endorsements thereto shall in all cases where possible name Lessor as co-insured thereunder.

Upon approval by said Comptroller of all insurance required, in the forms, kinds and amounts directed to be procured, Lessee shall deliver all policy originals or duplicate originals and endorsements thereto to the Comptroller. In any event, Lessee is not to commence to exercise any of the rights and privileges granted under this agreement until such time as all insurance directed and required to be furnished by Lessee is in full force and effect.

Lessee expressly understands and agrees that any insurance protection furnished by Lessee hereunder shall in no way limit its responsibility to indemnify and save harmless Landlord under the provisions of Article VI of this agreement.

Article VIII

In the event the demised premises or the building located thereon shall be damaged or destroyed by fire or other casualty, the same shall be promptly repaired or rebuilt by Lessor at its expense as soon as funds are available, and to the extent that such funds are available from any insurance proceeds or from Lessee as hereinafter provided.

In the event the insurance proceeds received in connection with any such loss are inadequate to permit Lessor to repair or rebuild, Lessee shall have the right to (i) contribute to Lessor the amount of such deficiency; (ii) continue this agreement despite such damage or destruction; or (iii) terminate this agreement upon giving written notice of its intention to do so to Lessor.

In the event of any damage or destruction by fire or other casualty, Lessee shall immediately, at its expense, replace and repair any and all fixtures, equipment and other property, other than the building, installed by it pursuant to this agreement.

Article IX

Lessor hereby grants to Lessee, for the benefit of itself and its employees, contractors, suppliers and servicemen, all necessary rights of access and ingress to and egress from the demised premises for the purpose of constructing and maintaining improvements on the demised premises, and any and all rights of access over, under and across adjoining premises owned by Lessor for the purpose of installing, maintaining and replacing the utilities which will be required in order to operate Lessee's business upon the demised premises. In addition, Lessor hereby grants to Lessee the right of access and ingress to and egress from the demised premises by Lessee and its employees, servicemen, guests, patrons and invitees; provided, that such rights of access, ingress and egress are at all times exercised in conformance with any and all regulations promulgated by Lessor or the Commissioner, or other lawful authority, for the care, operation, maintenance and protection of the Chicago Skyway Toll Bridge and the public.

The rights hereinabove granted shall be and are superior to that certain agreement of even date between Lessor and The American Oil Company, a Maryland corporation, demising the premises shown in red on Exhibit "A".

Operations to be conducted by the Lessee under this agreement shall be done at the sole expense of the Lessee and shall be subject to general inspection by the Lessor to insure a continuing quality of services commensurate with the standards provided for in this agreement.

Lessee does further covenant, promise and agree that said Lessee will not employ any person or persons in or about the premises or on the Chicago Skyway Toll Bridge who shall be objectionable to the Commissioner, and if such persons shall be employed by Lessee, he, she, or they shall be removed upon request of said Commissioner.

Lessee agrees to use its best efforts in every proper manner to maintain and develop the business conducted by it under this agreement and to increase the same, and not to divert or cause, or allow to be diverted, any business from said Chicago Skyway Toll Bridge.

Article X

This agreement shall not and will not, nor shall any copy thereof, or any statement, paper or affidavit in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook County, Illinois, or in any other public office, by Lessee or anyone acting for Lessee, without Lessor's consent as signified in writing by the Commissioner.

Article XI

In the event Lessee shall vacate or abandon the demised premises, or permit the same to remain vacant or unoccupied for a period of ten (10) days, or in the event Lessee shall fail to pay the rent and charges reserved hereby, or any part thereof, within ten (10) days after receiving written notice of default from Lessor, or in the event Lessee fails to cure any default in any other covenant in this agreement contained within thirty (30) days after receiving written notice of such default from Lessor, Lessee's right to the possession of the demised premises thereupon shall terminate, with or without any other notice or demand whatsoever, and the mere retention of possession thereafter by Lessee shall constitute a forcible detainer of said premises, and if the Lessor so elects, but not otherwise, this agreement shall thereupon terminate, and upon the termination of Lessee's right of possession, as aforesaid, whether this agreement be terminated or not, Lessee agrees to surrender possession of the premises immediately, without the receipt of any additional demand for rent, notice to quit or demand for possession of the premises whatsoever, and Lessee hereby grants to Lessor full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to expel and remove Lessee, or any other person who may be occupying the premises, or any part thereof, and Lessor may use such force in and about expelling and removing Lessee and said other person as may reasonably be necessary, and Lessor may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by virtue hereof, nor a waiver of any covenant, agreement or promise in this agreement contained to be performed by Lessee.

Except as hereinabove provided, Lessee hereby waives all notice of any election made by Lessor under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Lessor and Lessee, or any other statute, or by the common law during the term of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knoweldge of any breach hereunder by Lessee, or the giving or making of any notice or demand, whether according to any statutory provision or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Lessor's right, except as hereinabove provided, to act without notice or demand, or of any other right hereby given Lessor, or as an election not to proceed under the provisions of this agreement.

Lessor shall have a first lien on Lessee's interest hereunder, and on Lessee's property now or hereafter located on the demised premises, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity, and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Lessee to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Lessee's right to possession of the premises. The Lessor may collect and receive any rent due from Lessee, and payment or receipt thereof shall not waive or accept any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Lessor may have by virtue hereof.

Lessee shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Lessor in enforcing the covenants and provisions of this agreement, whether by the institution of litigation, or in the taking of advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Article XII

Lessee shall observe and comply with all laws, ordinances, rules and regulations of the United States Government, State of Illinois, County of Cook, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Chicago Skyway Toll Bridge, now in effect or hereafter promulgated.

Article XIII

Lessee, upon performing the covenants, conditions and agreements herein contained, shall and may peacefully have, hold and enjoy the demised premises and the privileges herein granted.

Article XIV

This agreement shall be deemed to have been made in, and shall be construed in accordance with, the laws of the State of Illinois.

Article XV

Notice to the Lessor provided for herein may be sent by registered mail, postage prepaid, addressed to the Commissioner of Streets and Sanitation of the City of Chicago, City Hall, Chicago, Illinois 60602, and notices to the Lessee provided for herein may be sent by registered mail, postage prepaid, addressed to Lessee at Fred Harvey, 80 E. Jackson Boulevard, Chicago, Illinois 60604, or in either case to such other respective parties and addresses as the respective parties hereto may designate in writing from time to time, and such notices shall be deemed to have been given when so sent.

Article XVI

Lessee agrees that in performing under this agreement it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color or national origin, nor otherwise commit an unfair labor practice. Lessee further agrees that this article will be incorporated by Lessee in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this agreement. Attention is called to Executive Order 10925 issued March 6, 1961, 3 CFR 1959-1963 Comp. p. 448, as amended: The Civil Rights Act of 1964, Pub. L. 88-352, July 2, 1964, 78 Stat. 241 et sub.; to the State Acts approved July 28, 1961, Ill. Rev. Stat. 1963, Ch. 38, Secs. 13-1 to 13-4 inclusive; July 8, 1933, Ill. Rev. Stat. 1963, Ch. 29, Secs. 17 to 24 inclusive; and July 21, 1961, Ill. Rev. Stat. 1965, Ch. 48, Secs. 851 to 866 inclusive, and an ordinance passed by the City Council of the City of Chicago, August 21, 1945, page 3877 of the Journal of the Proceedings.

To demonstrate compliance, the Lessee and its contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

Article XVII

Execution of this agreement authorized by ordinance of the City of Chicago passed..... (C.J.P. .....).

Part II—Special Conditions

1. Term

In consideration of the covenants and agreements of the Lessee as set forth in this agreement, Lessor does hereby lease the area shown in yellow on Exhibit "A" for a term of fifteen (15) years, commencing on the ..... day of ....., 1966, and ending on the ..... day of....., 1981.

2. Uses

Lessor agrees that Lessee shall have the privilege of using said demised premises for the purpose of operating thereon food service facilities for the sale of food, beverages, traveler's items, candy, tobacco and such other retail items as are customarily sold in similar restaurant businesses, and for the construction of such buildings, driveways, and other improvements as shown on Exhibit "B" attached hereto. If any such use shall be forbidden, interfered with, limited, or prevented by legislation or regulation of Federal, State, or local government, or any agency thereof, by requests of any governmental authority by war conditions, or by any contingency beyond the control of Lessee or its assignees, or if by reason of any similar restriction, limitation, interference or prohibition, Lessee shall be unable to obtain adequate supplies essential to the profitable use of the demised premises for the purposes stated, or, if because of any request or order of any governmental authority, such use of the demised premises is substantially curtailed, then and in such event, or any thereof, Lessee shall have the right to cancel this lease by giving Lessor at least ten (10) days notice of its intention so to do.

3. Rental

In consideration of said demise, and the covenants and agreements to be performed by Lessor, Lessee agrees to pay to Lessor for each calendar month and partial calendar month of the lease term an amount equal to ten percent (10%) of its gross sales, as hereinafter defined, made in, upon or from the demised premises during such calendar month or partial calendar month. The rental for each such month of the term shall be payable within fifteen (15) days after the end of each such month, and neither the termination nor the assignment of this agreement, prior to the date when such rental falls due, shall release Lessee from payment of rental on the amount of sales made by Lessee in, upon or from the premises.

The term "gross sales" employed herein shall be deemed to include the sales price of all merchandise of every sort whatever sold and charges for all services performed for which charge is made by Lessee or by any other person, persons or corporation selling merchandise or performing services of any sort in, upon or from any part of the premises, and shall include merchandise sold or services performed for cash or for credit or for any other consideration by Lessee, its servants and agents, and by any other person or persons permitted on the premises by Lessee, but shall specifically exclude (1) federal, state or municipal excise, occupational or sales taxes collected by Lessee or its assignees and concessionares, or such other parties, directly from patrons or as a part of the price of any goods, wares, merchandise, services or displays; (2) the proceeds of sale of scrap materials such as grease and waste paper, resulting from the operation of the business conducted on the premises; (3) trade-in value of any trade fixtures sold by Lessee from the premises; (4) amounts received by Lessee from any concessionares as consideraton for such concession; (5) any sales or services made or performed by any employee of the Tourist Information Bureau other than for the account of Lessee; (6) all sales made by Lessee to its employees at discount from the regular price to customers of Les-

see; (7) sales of postage stamps; or (8) the mere exchange or transfer of merchandise, supplies or equipment between the restaurants or other operations of Lessee, where such exchange or transfer of merchandise is made solely for the convenient operation of the business of Lessee and not for the purpose of depriving Lessor of the benefit of a sale which otherwise would be made at, in, from or upon the premises; nor shall said term include the amount of returns to shippers, suppliers or manufacturers, or the amount of any cash or credit refund made upon any sale where the merchandise sold, or some part thereof, is thereafter returned by the purchaser to and accepted by Lessee, nor shall said term include cost of free meals to employees of Lessee or other persons for public relations reasons.

Lessee agrees to keep separate and accurate records of the gross sales covering all business done or transacted in, upon or from the demised premises and will give Lessor the privilege of inspecting said records at any and all reasonable times. Lessor shall be given the privilege of examining any and all books and records, invoices, bank records and other data reasonably necessary to enable Lessor to make a complete and proper audit of such gross sales made in, upon or from the premises.

Lessee agrees to deliver to Lessor, within fifteen (15) days after the end of each calendar month or partial calendar month of the term, a correct statement of all gross sales made in, upon or from the premises during the preceding month. In addition to such monthly statements Lessee shall, within ninetv (90) days after the end of each twelve month period, commencing ninety (90) days after the end of the twelfth (12th) full calendar month of the lease term, and also within ninety (90) days after the end of the term (whether the same shall be terminated by lapse of time or otherwise), render to Lessor a statement prepared by an independent certified accountant, showing the gross sales of Lessee during the preceding twelve month period or portion thereof, as the case may be.

All rental payments may be made by check payable and delivered to Comptroller, City of Chicago, or by mail at Comptroller's Office, City Hall, Room 501, Chicago, Illinois 60602. Unless otherwise designated herein, all rental payments may be made by check delivered to Lessor or mailed to Lessor at its address herein shown.

4. Construction

Lessee shall, at its own cost and expense, erect upon the demised premises all necessary improvements for the business to be conducted by it thereon, said improvements to be completed in accordance with the plans and specifications attached hereto as Exhibit "B" and hereby made a part hereof by reference. All licenses and permits which may be required for the purpose of erecting and maintaining said improvements shall be secured from the proper authorities by the Lessee, and Lessee shall, upon the signing hereof, promptly make application for, and diligently proceed with such action as may be required to secure, such licenses and permits. Upon securing said licenses and permits, Lessee shall promptly begin the construction of said improvements and shall complete the same for operation within six months from the date of this lease.

5. Right to Remove Property

Lessee is expressly given the right during the term of this lease and any renewal or extension thereof, and for a period of thirty (30) days after the termination of this lease, or any renewal or extension thereof, by lapse of time or otherwise, to enter upon and remove from the demised premises any improvements or equipment placed by it upon the demised premises other than the building, but shall not be obliged to do so. Said improvements and equipment shall consist of all trade fixtures, restaurant equipment, utensils, lighting, light and advertising sign standards, all advertising, signs and letters identifying Lessee or its business, and all other similar improvements and equipment not permanently affixed to the real estate.

6. Renewal Option

Lessee shall have the option of extending this lease for five years upon the same rental terms and conditions which were in effect during the original term, except that the percentage rental due and payable during such extended term shall be adjusted to reflect the fair rental value of the demised premises, considered as unimproved and subject to the provisions of this lease, as of the first day of the renewal term. Such rental shall be determined by a third party mutually satisfactory to Lessor and Lessee or, in the event Lessor and Lessee cannot agree upon such third party within sixty (60) days after the commencement of the renewal term, by such party as may be designated by the Chicago Real Estate Board.

In order to exercise such extension option, Lessee shall give to Lessor a written notice of its intention so to do at least thirty (30) days prior to the expiration of the initial fifteen (15) year lease term, and the sending of such notice shall constitute the renewal extension of this lease without the necessity of executing a separate renewal lease.

7. Title Insurance

Lessor shall, within twenty (20) days from the date hereof, furnish Lessee with a Preliminary Report on Title issued by Chicago Title and Trust Company insuring Lessee's leasehold interest in the demised premises, subject only to the matters herein specifically set forth and to the usual printed exceptions contained in owners policies issued by such company. Such Preliminary Report on Title shall be in the amount of $1,000. The cost of such report shall be paid by Lessee. If such report contains any defects in title other than those to which this lease is expressly subject, other than the usual printed exceptions hereinabove referred to, Lessor shall have thirty (30) days in which to have such defects cured and removed from such report. If such defects are not cured and removed within such thirty (30) day period, Lessee shall have the right, at its election, to terminate this lease by giving Lessor written notice of its election so to do within ten (10) days after the expiration of such thirty (30) day period. If Lessee does not elect to terminate this lease within such ten (10) day period, this lease shall continue in full force and effect.

8. Taxes and Assessments

Lessee shall pay all real estate taxes and assessments that may be levied against the fee or leasehold interests in the demised premises and the building and equipment belonging to Lessee thereon applicable to the lease term.

9. Permits and Licenses

In the event Lessee shall be unable to obtain from municipal or other public authorities any permit or license necessary for the construction and operation of its restaurant facilities upon the demised premises, or in the event any such permit

or license, if obtained, be afterward revoked without fault of Lessee, or if the use of said premises be restrained or enjoined, then and in such event, or any thereof, Lessee shall have the right to cancel this lease by giving Lessor at least ten (10) days notice of its intention so to do.

10. Storage Room

Lessor hereby grants to Lessee the right, in common with Lessor, to use the storage room, containing approximately 200 square feet, which is located in the adjoining garage owned by Lessor.

11. Tourist Information Counter

It is contemplated that a tourist information counter will be located within the restaurant facilities to be located upon the demised premises. It is understood, however, that such counter will be operated by employees of The Tourism Council of Greater Chicago and not by employees of Lessee.

12. Termination of Lease of Adjoining Premises

In the event the agreement of even date herewith between Lessor and The American Oil Company relating to the premises shown in red on Exhibit "A" shall be terminated for any reason during the initial term of this lease or any renewal or extension thereof, Lessee shall have the right, at its election, to terminate this lease at any time thereafter by giving written notice of its election so to do to Lessor.

13. Hours and Prices

The Lessee's business upon the demised premises shall be operated during such hours as experience shows to be reasonably warranted by the demand for its merchandise and services, and the prices charged by it shall be comparable to those charged in similar facilities.

14. First Refusal Rights

It is agreed that should Lessor, or any successor or assign, at any time during the term of this lease or any extension thereof, receive an offer relating to a similar use of any part of the Chicago Skyway Toll Bridge, and desire to accept said offer, or should Lessor during any such time make such an offer, Lessor shall give Lessee ninety (90) days notice in writing of such offer, and all of the terms and conditions thereof, and Lessee shall have the first option to lease the same upon the same terms and conditions by giving written notice to Lessor of its intention to so do within said ninety (90) day period, it being understood that Lessee shall have, upon the same conditions and notice, the continuing first option to lease any part of the Chicago Skyway Toll Bridge for a similar use affected by any subsequent offer, upon the terms of any such subsequent offer, including any subsequent offer relating to any portion of the Chicago Skyway Toll Bridge affected by any previous offer which was not accepted.

15. Relocation of Facilities

In the event it shall become necessary for Lessor to request a change in the location of the demised premises by reason of structural or operational changes in the Chicago Skyway Toll Bridge facilities, Lessor agrees to offer to substitute another suitable and comparable location on said facilities in lieu of the premises demised hereunder, such new location to be adjacent to facilities comparable to those to be constructed and operated by The American Oil Company on the premises shown in red on Exhibit "A." Within sixty (60) days after the receipt of any such offer, Lessee shall have the election to either (i) accept such offer, or (ii) terminate this lease. In the event such offer is accepted, Lessee shall, at its sole cost and expense, and with all due diligence, relocate and construct, at such substitute location, facilities comparable to those initially constructed by it hereunder, it being agreed that all of the terms and provisions of this lease relating to the premises demised hereunder shall be equally applicable to the premises substituted in lieu thereof.

In the event it should become necessary for Lessor to request a change in the location of the demised premises as hereinabove provided, Lessor shall, regardless of whether Lessee elects to relocate its facilities or to terminate this lease, pay to Lessee an amount equal to the then unamortized balance of Lessee's investment in its original facilities, based upon a fifteen (15) year rate of amortization.

16. Entire Agreement

This lease embodies the entire agreement between the parties hereto relative to the subject matter hereof and shall not be modified, changed or altered in any respect except in writing; and in the event of any termination of this lease pursuant to any right reserved by Lessee herein, all liability on the part of Lessee for payment of rent shall cease and determine upon payment to the date of such termination of this lease.

In Witness Whereof, the parties hereto have caused this instrument to be signed in triplicate under their respective seals on the day and year first above written.

American Oil Co.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. This Agreement made this ..... day of ....., A. D. ....., between the City of Chicago, a municipal corporation of the State of Illinois, hereinafter called "Lessor" and The American Oil Company a Maryland Corporation, hereinafter called "Lessee";

Witnesseth:

That Lessor, for and in consideration of the terms and conditions, both general and special, hereinafter contained and made on the part of Lessee, does hereby grant to Lessee for use only by Lessee, the privileges hereinafter described on premises as shown in red in the attached Exhibit "A", which is a Plot of Survey of a portion of the Chicago Skyway Toll Bridge, dated June 16, 1966; hereinafter called "Demised Premises" in the City of Chicago, County of Cook, State of Illinois.

This Agreement, which is also referred to herein as "lease" shall consist of three parts:

Part I	General Conditions
Part II	Special Conditions Numbered 1 to 10
Part III	Exhibits and Attachments Lettered ..... to .....

all constituting the entire agreement between the parties and no warranties, inducements, considerations, promises or other inferences, shall be implied or impressed upon such agreement that are not set forth herein at length.

Part I—General Conditions

Article I

This agreement shall be subject and subordinate to existing or future lease or agreement between lessor and the United States or the State of Illinois relative to the development, construction, operation, or maintenance of the Chicago Skyway Toll Bridge, the execution of which has been or may be required as a condition precedent to the expenditure of Federal or State funds for the development, construction, operation or maintenance of said Chicago Skyway Toll Bridge; and is made expressly pursuant and subject to the provisions of an ordinance passed by the City Council of the City of Chicago June 16, 1955 (C.J.P. 471 to 489).

Article II

The Lessee shall not assign or transfer this agreement nor any of the rights or privileges granted hereby, nor enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor unless otherwise expressly provided herein, without prior approval of Lessor. Lessee further agrees that it shall not enter into any agreement of any nature, formal or informal, concerning other business activities with any individual, partnership or corporation without prior approval of Lessor, it being understood that the only activity the Lessee may conduct directly or indirectly along or through others, on, upon or from said demised premises is as authorized under the terms of this agreement. Lessee shall have the right to sublet the demised premises only upon first obtaining the written consent and approval of the commissioner.

It is mutually understood and agreed that nothing contained in this agreement is intended, or shall be construed, as in any wise creating or establishing the relationship of copartners or joint venturers between the parties hereto or as constituting the Lessee as the agent or representative of the Lessor for any purpose or in any manner whatsoever.

Article III

Lessee has examined the premises prior to, and as a condition precedent to, the execution hereof and is satisfied with physical condition of said premises, and its taking possession thereof will be conclusive evidence of its receipt of said premises in a safe, sanitary and sightly condition and in good repair.

Article IV

Lessee shall not attach, affix, or permit to be attached or affixed, upon the premises, or if so attached or affixed, relocate, replace, alter or modify, without the consent in writing in each instance of the Commissioner of Streets and Sanitation (hereinafter called "Commissioner") first had and obtained, any flags, placards, signs, poles, wires, aerials, antennae, improvements of fixtures. In connection therewith Commissioner may require submission of proposed designs, floor plans, construction plan, specifications and contract documents therefor and if then approved may incorporate all or part thereof within this agreement as attachments thereto.

Article V

The obligation of Lessee to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date herein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Lessee's right to possession of the premises. The Lessor may collect and receive any rent due from Lessee and payment or receipt thereof shall not waive or affect any such

notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Lessor may have by virtue hereof.

Lessee shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Lessor in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

2. Uses

Lessor agrees that Lessee shall have the privilege of using said demised premises, for the purpose of operating thereon a gasoline service station, and the construction of such buildings, driveways, and other improvements as shown on Exhibit "B" attached hereto. And if any such use shall be forbidden, interfered with, limited, or prevented by legislation or regulation of Federal, State, or local government, or any agency thereof, by requests of any governmental authority by war conditions or by any contingency beyond the control of Lessee, its assignee or sublessee, or if any reason of any similar restriction, limitation, interference or prohibition, Lessee, shall be unable to obtain adequate supplies of petroleum products essential to the profitable use of said demised premises for the purposes stated, or, if because of any request or order of any governmental authority, the sale of gasoline at said demised premises is substantially curtailed, then and in such event or any thereof Lessee shall have the right to cancel this lease by giving Lessor at least ten (10) days notice of its intention so to do.

It is the express intent and purpose of this agreement that Lessee shall sell gasoline and motor oil upon the demised premises and no other products without express written approval of the commission.

3. Rental

Lessee agrees to pay to Lessor as rental for the demised premises, a sum equal to 11.5% of the retail sale price of gasoline and motor oil sold on the demised premises by Lessee, less only taxes directly applicable to such sales, i.e. Illinois Retailer's Occupation Tax, Illinois Motor Fuel Tax and Federal Tax; or alternatively, a sum equal to three cents (3¢) per gallon on all gasoline and five cents (5¢) per quart on all motor oil sold by lessee upon the demised premises, whichever sum is greater. The retail sale price shall be the price paid by Lessee's customers as posted on the premises by Lessee.

Such rental shall be due and payable on or before the fifteenth day of the calendar month, next succeeding the month in which sale of said gasoline and motor oil occurs.

Lessee agrees to keep separate and accurate records of the gross sales covering all business done or transacted in, upon or from the demised premises and will give Lessor the privilege of inspecting said records at any and all reasonable times. Lessor shall be given the privilege of examining any and all books and records, invoices, bank records and other data reasonably necessary to enable Lessor to make a complete and proper audit of such gross sales made in, upon or from the premises.

Lessee agrees to deliver to Lessor, within fifteen (15) days after the end of each calendar month or partial calendar month of the term, a correct statement of all gross sales made in, upon or from the premises during the preceding month. In addition

to such monthly statements Lessee shall, within ninety (90) days after the end of each twelve month period, commencing ninety (90) days after the end of the twelfth (12th) full calendar month of the lease term, and also within ninety (90) days after the end of the term (whether the same shall be terminated by lapse of time or otherwise), render to Lessor a statement prepared by an independent certified accountant, showing the gross sales of Lessee during the preceding twelve month period or portion thereof, as the case may be.

All rental payments may be made by check payable and delivered to Comptroller, City of Chicago, or by mail at Comptroller's Office, City Hall, Room 501, Chicago, Illinois 60602. Unless otherwise designated herein, all rental payments may be made by check delivered to Lessor or mailed to Lessor at its address herein shown.

4. Plans and Specifications

Lessee shall, at its own cost and expense, erect upon the demised premises a gasoline service station, said improvements to be completed in accordance with plot plan building plans and equipment shown thereon, and specifications all being numbered ..... and approved by Lessor, which said plans and specifications are hereby made a part hereof by reference. All licenses and permits which may be required for the purpose of erecting and maintaining said gasoline service station improvements shall be secured from the proper authorities by the Lessee and Lessee shall, upon the signing hereof, promptly make application to, and diligently proceed with such action as may be required to secure such licenses and permits. Upon securing said licenses and permits, Lessee shall promptly begin the construction of said service station improvements and shall complete the same for operation within six months from the date of this lease.

5. Right to Remove Lessee's Equipment

Lessee is expressly given the right during the term of this lease or any renewals or extensions thereof, and for a period of thirty (30) days after the termination of this lease, or any renewals or extensions thereof, by lapse of time or otherwise, to enter upon and remove from said premises improvements or equipment heretofore or hereafter purchased or placed by it or them upon the demised premises but not be obliged to do so, said improvements and equipment shall consist of all gasoline pumps and meters, lighting, light and advertising sign standards, all advertising, signs and letters identifying Lessee or its products, the building to be installed upon the demised premises for use by attendance and all other similar improvements and equipment, not permanently affixed to the real estate.

6. Extension Privilege

Lessee shall have the option of extending this lease for five (5) years upon the same rental terms and conditions which were in effect during the original term.

In order to exercise said extension option Lessee shall give to Lessor a written notice of its intention so to do at least thirty (30) days prior to the expiration of the then current period, and the sending of such notice shall constitute the renewal and extension of this lease in accordance with the terms of such renewal option so exercised without necessity of the execution of a separate renewal lease.

7. Taxes and Assessments

It is further mutually agreed that Lessee shall pay all taxes and assessments that may be levied against the leasehold interest and the building and equipment belonging to Lessee thereon located upon the demised premises.

8. Permits and Licenses

In case Lessee shall be unable to obtain from municipal or other public authorities, any permit or license necessary for the operation of a gasoline service station upon said demised premises, or in case any such permit or license, if obtained, be afterward revoked without fault of Lessee, or if the use of said premises be restrained or enjoined, then and in such event or any thereof Lessee shall have the right to cancel this lease by giving Lessor at least ten (10) days notice of its intention so to do.

9. First Refusal Rights of Lessee

It is agreed that should Lessor, or Lessor's successors or assigns, at any time during the term of this lease or any extension thereof, receive an offer for similar use of said Chicago Skyway Toll Bridge or any part thereof, and desires to accept said offer, or should Lessor during any such time make such an offer, Lessor shall give Lessee ninety (90) days notice in writing of such offer, and all terms and conditions thereof and Lessee shall have the first option to accept the same by giving written notice to Lessor of its intention to so do within said ninety (90) day period on the same terms of any such offer, it being understood that in the event Lessee does not give notice of its intention to exercise said option within said period, Lessee shall have, upon the same conditions and notice, the continuing first option to accept any subsequent offers, upon the terms of any such subsequent offer or offers.

10. Relocation of Facilities

In the event it should become necessary or desirable to change or alter the location of proposed and existing structures upon the demised premises due to structural changes in the Chicago Skyway Toll Bridge facilities, Lessee agrees to make such changes at its expense upon suitable premises to be furnished by Lessor.

In Witness Whereof, the parties hereto have caused this instrument to be signed in triplicate under their respective seals on the day and year first above written.

Permission Granted to Wendella Sightseeing Corp. to Use Dock and Adjacent Wharf Space on Main Chicago River.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the City Comptroller is authorized to execute on behalf of the City of Chicago a lease from the City of Chicago to Wendella Sightseeing Corporation of the premises described as follows:

One hundred fifty (150) feet of dock and adjoining wharf along the north side of the main Chicago River extending southwesterly from the westerly line of N. Michigan Avenue, for a period of five (5) years from January 1, 1967 to December 31, 1972, upon the payment to the City of Chicago of a permit fee of One Thousand Dollars ($1,000.00) per year, paid in advance to the office of the City Collector by July 1st of each year. This lease grants the privilege to use the above-defined dock and adjoining wharf to load and unload passengers to and from the upper and lower levels of North Michigan Avenue via areas and stairways, for the operation of sightseeing craft from this dock and wharf area, also the use of sixty-six (66) lineal feet of the dock at the foot of N. Rush Street on the north bank of the Chicago River. It is specifically understood and agreed upon that this dock at the foot of North Rush Street shall not be used for taking on or discharging passengers under any conditions unless sanctioned in writing by the Port Director, but said dock shall be used only for the purposes of mooring boats owned or operated by Lessee. The Lessee or any and all other persons in the employment of Lessee or other persons whatsoever are forbidden to use public address systems or other mechanical or hand operated voice or power operated megaphones in solicitation of business—or for entertainment purposes—including music reproduction or other reproductions and shall not use or employ persons to "bark" or solicit business either on leased dock area—or from aboard craft or any area or location in vicinity of operating area or underway on craft. By the issuance of this lease the City of Chicago does not warrant the docks, piers, quay walls and wharves to be safe for berthing or mooring vessels or loading or unloading cargo or for accepting or discharging passengers and does not assume responsibility as a wharfinger, but on the contrary, everything undertaken or done by Lessee pursuant to this lease shall be at Lessee's own risk and Lessee by acceptance of this lease waives and releases the City of Chicago of and from all damages and claims on account of any existing conditions which may hereafter develop at the berth or approaches to the berths, docks, piers, quay walls and wharves where the vessels of the Lessee may be berthed or moored under this lease. Indemnification in the penal sum of two hundred fifty thousand dollars ($250,000.00) shall be filed indemnifying and saving harmless the City of Chicago against any and all claims for damages on account of injuries to or death of any person or persons or damage to property resulting from operations under this lease. Furthermore, the issuance of this lease is subject to the Lessee having two-way shore communication on each one of the craft operated by said Lessee, including all craft that the Lessee may operate on a temporary or substitute basis and that the Port Director shall be informed of the names and registration numbers of all craft that may be operated by the Lessee and that this information shall be furnished to the Port Director on or before April 1, 1967. Furthermore, all craft to be operated by the Lessee shall have installed a two-way shore communication system. This equipment shall be installed and operating during and at any and all times while any craft are underway with passengers or crew or guests on board and the pilot on any of the boats so operated shall have full use and knowledge of how to use the two-way communication to the full satisfaction of the Port Director of the Port of Chicago and that no person shall be in charge of any craft who does not have such full knowledge for the operation of said communication system. Furthermore, the Lessee shall be governed by any order from the Port Director and rules and regulations regarding the areas in which his boats may operate. The Lessee shall

adhere strictly to such orders as given in writing, by the Port Director for the areas in which its boats may operate. This lease gives to the Lessee the right to operate only three (3) boats to/or from the docks designated above.

This lease to be approved as to form and legality by the Corporation Counsel. Either party may cancel this lease upon 30 days prior notice in writing.

Said lease to be in the form of lease approved by the City Council as identified by the certification thereon of the Chairman of Committee on Finance.

Yeas—Aldermen Harvey, Metcalfe, Holman, Despres, Miller, Bohling, Condon, Lupo, Buchanan, Danaher, Healy, J. P. Burke, Krska, Chew, Murray, Fitzpatrick, Campbell, Yaksic, Tourek, Collins, Marzullo, Zydlo, Sain, Provenzano, McMahon, Keane, Sulski, Brandt, Sande, Laskowski, Aiello, Casey, Cullerton, Laurino, Scholl, Goldberg, Rosenberg, Fifielski, Kerwin, Hoellen, O'Rourke, Wigoda, Sperling—43.

The following is said resolution as adopted:

Whereas, The classification and wage and salary plan for City positions will promote greater efficiency and will reduce as far as possible the many inequities that have developed over the years in the classification and pay of employees; and

Whereas, The adoption of the plan will establish salary schedules for the various classifications based on costs of living in the Chicago area, prevailing salaries and the nature and responsibility of the positions. The plan establishes a sound and equitable personnel policy throughout the City service. It will encourage qualified men and women to seek a career in City service. It will reduce turnover. A longevity provision in the plan insures recognition for long and faithful service to the City. It will simplify budgeting of personnel services in all departments; and

Whereas, The Budget takes into consideration the provisions of the classification and wage and salary plan; and

Whereas, In order to coordinate the provisions and the appropriate rules relating to such classification and wage and salary plan and the provisions of the Budget providing for the salaries for the fiscal year, it is desirable that the following declaration by the City Council be adopted:

Now, Therefore, Be It Resolved, That the following provisions governing the administration of compensation be adopted;

U.S. President, State Dept. and Congress Memorialized to Accomplish Peaceful Solution in Middle East Problems.

A proposed resolution submitted by Honorable Richard J. Daley, Mayor, Alderman Sperling and twenty-three members of the City Council reading as follows:

WHEREAS, The recent action of the United Nations supported by the United States of America condemning the State of Israel for her punitive raid on Jordan, appears in the words of the Editor of the Sentinel Magazine, a Chicago publication to be "A Case of the Victim Being Accused of a Crime"; and

WHEREAS, The New York Times in a recent editorial, simply stated and declared" . . . However, the Israeli expedition was clearly meant not so much as retaliation, as a general warning, with Syria especially in mind. It was from Syria that terrorists planted the mine which killed four Israelis last month. In that case, a Russian veto in the Security Council prevented even a mild rebuke to Syria . . . The United States is showing its weakness, not its strength, no matter how strongly or justifiably Israel is condemned. The moral effect will be significant, but it would have been much more significant if Syria had been condemned previously for encouraging terrorist raids into Israel . . ."; and

WHEREAS, It appears that the United Nations and the United States through its Ambassadors therein, have mistaken the culprit and the victim is truly being accused of the crime; and

WHEREAS, It is a known and published fact that the United Arab Republic nations surrounding the small State of Israel have refused, and still refuse to accept the existence of the Nation of Israel as a State within the community of the Nations of the World; and

WHEREAS, The continuation of the sabotage and road mining incidents that have taken place in the last few years, and more particularly the last 60 days, encouraged by U A R and Arab States, surrounding the tiny Nation of Israel, are endangering the peace of the World; and

WHEREAS, It is unreasonable to expect that a small people contained in the tiny land of Israel can endlessly endure provocations at the hands of the Arab Nations surrounding this tiny State of Israel; and

WHEREAS, Protecting the vital interests of the United States of America in the Middle East, and the continuing of the peace in the Middle East is of the utmost importance to the United States of America;

Now, Therefore, Be It Resolved, That the City Council of Chicago, duly assembled, does hereby memorialize the President of the United States, the United States Congress, the United States Senate, and the State Department of the United States, to use their best efforts to bring about a peaceful solution in the Middle East, recognizing that the State of Israel is a Nation in fact, and ought to be supported in defending itself from aggressors and provocators, who refuse to accept this fact, and have, and continue to openly attack Israel, proclaiming that they will continue so to do by force of arms, until they obliterate the Nation and all of its people; that the continued actions of the Arab Nations surrounding the tiny State of Israel represent a real threat to the peace of the Middle East and to the World itself, by their continuation of their tactics and provocations. The City Council does hereby memorialize the State Department particularly, to use its best efforts to secure the peace of the Middle East, solve the many problems that are truly solvable in the Middle East and convince by their firm action to the entire World that the State of Israel has the full support of the United States to peaceably exist with its neighbors in the community of Nations of the World.

WHEREAS, Almighty God, in His infinite wisdom and mercy, has called to his eternal reward Walter Elias Disney, whom we have all come to know as "Walt" Disney, one of the greatest creators of entertainment media in the world; and

WHEREAS, Walter Elias Disney came from modest beginnings. He was born in Chicago on December 5, 1901, the son of a carpenter, and spent several years of his boyhood on his father's farm near Marceline, Missouri in the heart of Mark Twain country. His education ended in high school when he enlisted as an ambulance driver during World War I. His training in art consisted of little more than a few night school classes at the Art Institute of Chicago and the Kansas City Art Institute; and

WHEREAS, His contributions to the entertainment world were immense. He elevated the lowliest of animals, a mouse, into the most celebrated, known as "Mickey Mouse", and created a host of other cartoon characters such as "Donald Duck", "Goofy", "Pluto", and the "Three Little Pigs"; and

WHEREAS, Mr. Disney gave the people of the world not only one-reel cartoons but endeared himself to us all with full length animated, feature movies such as "Snow White and the Seven Dwarfs", "Pinocchio", "Bambi" and "Fantasia", and culminated his career with one of the most successful productions, which recently appeared in "Mary Poppins"; and his efforts secured for himself and his staff thirty-one Academy awards; and

WHEREAS, His world famous artistic ability also extended to the creation of "Disneyland" which attracted not only the common man, but leaders of nations because of the genius with which it was created and executed. Mr Disney, never content to rest upon his laurels, undertook his most ambitious project, a $200,000,000 "Disney World" to be erected near Orlando, Florida, and a $35,000,000 ski resort in the Sierra Mountains of California, which were being constructed at the time of his death. Mr. Disney claimed as his single greatest contribution to posterity the California Institute of the Arts, a college for studies in art and music being constructed on the Disney ranch in the San Fernando Valley; and

WHEREAS, The loss of Walter Elias Disney will be felt by people all over the world who had enjoyed the fruits of his creative genius which spanned the barriers of language, customs and nationalities and delighted and enriched the lives of millions; now, therefore,

Attachment to Lease No. FA67CE-4148
Facilities Non-discrimination

a. As used herein, the term public facility means stores, shops, restaurants, cafeterias, restrooms, and any other facility of a public nature in the building in which the space covered by this lease is located.

b. The lessor agrees that he will not discriminate by segregation or otherwise against any person or persons because of race, creed, color, or national origin in furnishing, or by refusing to furnish, to such person or persons the use of any facility including any and all services, privileges, accommodations, and activities provided thereby. Nothing herein shall require the furnishing to the general public of the use of any facility customarily furnished by the lessor solely to tenants, their employees, customers, patients, clients, guests and invitees.

c. It is agreed that the lessor's noncompliance with the provisions of this section shall constitute a material breach of this lease. In the event of such noncompliance, the Government may take appropriate action to enforce compliance, may terminate this lease, or may pursue

such other remedies as may be provided by law. In the event of termination, the lessor shall be liable for all excess costs of the Government in acquiring substitute space, including but not limited to the cost of moving to such space. Substitute space shall be obtained in as close proximity to the lessor's buildings as is feasible and moving costs will be limited to the actual expenses thereof as incurred.

d. It is further agreed that from and after the date hereof the lessor will at such time as any agreement is to be entered into or a concession is to be permitted to be operated, include or require the inclusion of the foregoing provisions of this section in every such agreement or concession pursuant to which any person other than the lessor operates or has the right to operate any facility. Nothing herein contained, however, shall be deemed to require the lessor to include or require the inclusion of the foregoing provisions of this section in any existing agreement or concession arrangement or one in which the contracting party other than the lessor has the unilateral right to renew or extend the agreement or arrangement, until the expiration of the existing agreement or arrangement and the unilateral right to renew or expand. The lessor also agrees that it will take any and all lawful actions as expeditiously as possible with respect to any such agreement as the FAA may direct, as a means of enforcing the intent of this section, including but not limited to, termination of the agreement or concession, and institution of court action.

INSTRUCTIONS TO BE OBSERVED IN EXECUTING LEASE.

1. This standard form of lease shall be used whenever the Government is the lessee of real property; except that when the total consideration does not exceed $100 and the term of the lease does not exceed 1 year the use of this form is optional. In all cases where the rental to be paid exceeds $2,000 per annum the annual rental shall not exceed 15 per centum of the fair market value of the rented premises at the date of lease. Alterations, improvements, and repairs of the rented premises by the Government shall not exceed 25 per centum of the amount of the rent for the first year of the rental term or for the rental term if less than 1 year.

2. The lease shall be dated and the full name and address of the lessor clearly written in paragraph 1.

3. The premises shall be fully described, and, in case of rooms, the floor and room number of each room given. The language inserted at the end of article 2 of the lease should specify only the general nature of the use, that is, "office quarters," "storage space," etc.

4. Whenever the lease is executed by an attorney, agent, or trustee on behalf of the lessor, two authenticated copies of his power of attorney, or other evidence to act on behalf of the lessor, shall accompany the lease.

5. When the lessor is a partnership, the names of the partners composing the firm shall be stated in the body of the lease. The lease shall be signed with the partnership name, followed by the name of the partner signing the same.

6. Where the lessor is a corporation, the lease shall be signed with the corporate name, followed by the signature and title of the officer or other person signing the lease on its behalf, duly attested, and, if requested by the Government, evidence of his authority so to act shall be furnished.

7. Under paragraph 6 of the lease insert necessary facilities to be furnished, such as heat, light, janitor service, etc.

8. There shall be no deviation from this form without prior authorization by the Director of Procurement, except—

(*a*) Paragraph 3 may be drafted to cover a monthly tenancy or other period less than a year.

(*b*) In paragraph 5, if a renewal for a specified period other than a year, or for a period optional with the Government is desired, the phrase "from year to year" shall be deleted and proper substitution made. If the right of renewal is not desired or cannot be secured paragraph 5 may be deleted.

(*c*) Paragraph 6 may be deleted if the owner is not to furnish additional facilities.

(*d*) If the premises are suitable without alterations, etc., paragraph 8 may be deleted.

(*e*) Paragraph 9 provides that the lessor, shall "unless herein specified to the contrary, maintain the said premises in good repair, etc.". A modification or elimination of this requirement would not therefore be a deviation.

(*f*) In case the premises consist of unimproved land, paragraph 10 may be deleted.

(*g*) When executing leases covering premises in foreign countries, departure from the standard form is permissible to the extent necessary to conform to local laws, customs, or practices.

(*h*) Additional provisions, relating to the particular subject matter mutually agreed upon, may be inserted, if not in conflict with the standard provisions, including a mutual right to terminate the lease upon a stated number of days' notice, but to permit only the lessor so to terminate would be a deviation requiring approval as above provided.

9. When deletions or other alterations are permitted specific notation thereof shall be entered in the blank space following paragraph 11 before signing.

10. If the property leased is located in a State requiring the recording of leases in order to protect the tenant's rights, care should be taken to comply with all such statutory requirements.

SECTION 2. This ordinance shall be in force and effect from and after its passage.

WHEREAS, The Mayor's Committee on New Residents of the Chicago Commission on Human Relations has prepared a legislative program containing twelve proposals to curtail consumer credit abuses; and

WHEREAS, These specific proposals were introduced in the Illinois House of Representatives on January 17, 1967, and contain, among others, provisions establishing a ceiling on finance charges for automobiles, revolving charge accounts and other retail merchandise; the abolition of the confession clause in all retail instalment sales contracts; the licensing of finance companies and automobile salesmen and a five day cooling off period on door to door sales; and

WHEREAS, This Council has previously gone on record in support of similar legislative efforts to correct the serious and long standing abuses which plague both consumers and honest merchants; now, therefore,

Be It Resolved, That the members of the City Council of the City of Chicago memorialize the members of the Illinois General Assembly to enact this program of credit reform in order to create an economic climate in which all of our citizens will benefit.

Tribute Paid to Late Barney Ross.

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council submitted the following proposed resolution:

WHEREAS, Almighty God in His infinite wisdom, has called to his eternal reward, Barney Ross, one of Chicago's favorite sons in the prize ring; and

WHEREAS, Barney Ross, formerly lightweight, junior welterweight and welterweight champion of the world, died on January 18, 1967 of throat cancer, at age 57, fighting to the end just as he had as a boy on the West side of Chicago, as a boxer during the 1930's, as a United States Marine hero in World War II, and in his greatest victory—over narcotics in 1947; and

WHEREAS, Barney Ross was born in New York City December 22, 1909, as Barnet David Rosofsky. His family moved to Chicago when he was 11 months old and his father opened a grocery store on the West side in the neighborhood of Roosevelt Road and Albany Avenue. A week before his fifteenth birthday, his father was killed and he became a fighter to help move two of his brothers from an orphanage and restore the family under his mother's care; and

WHEREAS, Barney Ross, entered the ring as an amateur, winning, in 1929, both the Chicago and Intercity Golden Gloves Featherweight Championships. That same year he turned professional and within 5 years, on June 23, 1933, he won the world's lightweight and junior lightweight championships from Tony Canzoneri in Chicago and later that year successfully defended them against Canzoneri. On May 28, 1934, at Madison Square Garden, Ross sent Jimmy McLarnin to the canvas in the ninth round, adding the World's welterweight boxing title to his lightweight and junior welterweight crowns. Less than 5 months later he

fought McLarnin again in New York and lost the title. The following year, on May 28, 1935, he reclaimed the welterweight championship from McLarnin. Ross held the crown until the memorable bout with Henry Armstrong, after defending it against Izzy Janazzo in 1936 and Ceferino Garcia in 1937. At the end of 15 gruelling rounds in Long Island City Bowl on May 31, 1938, he lost the fight and announced his retirement from the ring. Though he never boxed again, Ross was to enter new and greater laurels as a fighting marine; and

WHEREAS, When this Country entered World War II, Barney Ross joined the United States Marine Corps as a private, attached to a rifle company. On November 19, 1942, an unforgettable night on Guadalcanal, he held off a Japanese attack while standing guard over 3 wounded comrades, saving them and killing an estimated 27 of the enemy. For this he was awarded the Silver Star and promoted in rank. He was hit in the legs by schrapnel and was suffering from malaria and shell shock. To ease his pain the medical corpsmen administered morphine. When the attacks recurred after discharge, he sought the same remedy. Late in 1946, realizing that he had become addicted to drugs, he voluntarily entered the United States Public Health Service Hospital in Lexington, Kentucky. Four months later he was released cured; and

WHEREAS, Ross never made a secret of his battle against drugs. After a movie, "Monkey on My Back," was made of his career as a boxer, a marine, and an addict, he worked in Labor-Management Relations, in business, and as a speaker—telling how to conquer the narcotics habit, and he, with Martin Abramson, wrote the book, "No Man Stands Alone. True story of Barney Ross," for which many are indebted to him; now, therefore,

Be It Resolved, That the Mayor and members of the City Council of the City of Chicago on behalf of the people of Chicago hereby honor the memory of courageous Barney Ross, and express their deep regrets at his passing and extend their heartfelt sympathy to his bereaved family; and

Be It Further Resolved, That as a mark of respect to his memory, this resolution be spread upon the permanent Record of Proceedings of the City Council of the City of Chicago, this 20th day of January, A. D., 1967, and that a copy thereof be presented to the family of Barney Ross.

Committee consideration was dispensed with by unanimous consent, and on motion of Alderman Wigoda said proposed resolution was *Adopted* unanimously, by a rising vote.

Tribute Paid to Late Gilbert Hilton Scribner, Jr.

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council submitted the following proposed resolution:

WHEREAS, Almighty God in His infinite wisdom, dom, has called to his eternal reward, Gilbert Hilton Scribner, Sr., prominent realtor, civic leader and public servant; and

WHEREAS, Mr. Scribner was Chairman of Scribner & Co., a pioneer real estate and building management firm. He came to Chicago in 1912, after his graduation from Yale University and taking an LL.D. degree from the University of Kansas City, to form Winston & Co., which in 1959 changed its name to Scribner & Co.; and

WHEREAS, He was deeply interested in improving and beautifying Chicago; he worked ceaselessly toward that end. In 1913, he was one of the founders of the North Central Association, the forerunner of the Greater North Michigan Avenue Association, which helped in planning the development of much of the Near North Side area. He was a moving force in creating the "Magnificent Mile" that is North Michigan Avenue today. He was one of the developers of the Fort Dearborn project, a plan to elevate and beautify the area north of the Chicago River from Wells to Rush Streets. As head of the Citizens' Advisory Committee for the Chicago Park District in 1946, he was instrumental in expanding Chicago's neighborhood park system. He played a major role in the intricate land acquisition programs for the expansion of O'Hare International Airport and for the Eisenhower, Kennedy and Dan Ryan expressways. In 1963 he was named by Mayor Richard J. Daley to be a member of the Public Building Commission of Chicago, and he served with distinction thereon until his death; and

WHEREAS, His outstanding abilities as an executive led to his becoming a director of many corporations including General Electric Company, International Business Machines Corporation, Trans World Airlines, Inc., Clearing Industrial District, Inc., Midland Warehouse and Transfer Company, and The First National Bank of Chicago, president of the Building Managers Association of Chicago, of the Chicago Real Estate Board and of the Chicago Junction Terminal Building Company, and he also served as trustee of Northwestern University and of Mutual Life Insurance Company of New York, and was a member of the Executive Committee of American Red Cross; now, therefore,

Be It Resolved, That the Mayor and the members of the City Council of the City of Chicago on behalf of the people of Chicago hereby express their everlasting gratitude for the many outstanding services performed by him for Chicago and their deep regret at the passing of Gilbert Hilton Scribner, Sr., and extend to his bereaved family their sincere sympathy; and

Be It Further Resolved, That as a mark of respect to his memory, this resolution be spread upon the permanent Record of Proceedings of the City Council of the City of Chicago, this 20th day of January, A. D. 1967, and that a copy thereof be presented to the family of Gilbert Hilton Scribner, Sr.

Court Decisions.

Also communications from the Law Department signed by Sydney R. Drebin, and a communication signed by Ronald S. Cope, Assistant Corporation Counsel and Sydney R. Drebin, Head of Appeals and Review Division, advising the Council of Appellate Court decisions, in the causes noted below, which were *Placed on File:*

Oleta Wolfe, Plaintiff-Appellant, vs. City of Chicago, a Municipal corporation, Defendant-Appellees, Appellate Court No. 50936. On December 20, 1966, the Appellate Court rendered its opinion reversing the judgment in favor of the City in the above entitled cause and remanding the cause to the trial court for a new trial. The Plaintiff on February 14, 1958 fell at the southwest corner of E. 57th Street and S. Essex Avenue, Chicago, and contended that she fell in a hole in a public street; the City contended that she fell on a natural accumulation of snow and ice; at the close of the trial, the defendant offered an instruction which contained a feminine noun rather than a masculine noun and the plaintiff contended this was prejudicial error because it singled out the plaintiff who was a female. The Appellate Court held the instruction erroneous in rendering its opinion in this cause.

Richard J. Daley, Mayor and Local Liquor Control Commissioner, Plaintiff-Appellant, vs. *Gerald D. Ryan, Licensee, License Appeal Commission of the City of Chicago, A. L. Cronin, Chairman, Defendants-Appellees, Appellate Court Co. 51105.* On January 16, 1967 the Appellate Court rendered its opinion reversing the judgment of the Trial Court and affirming the order of revocation of the Local Liquor Control Commissioner. At the hearing before said commissioner, a police officer testified that on March 26, 1965 Gerald Ryan, licensee of the licensed premises located at Nos. 865-67 N. State Street permitted a female to solicit a police officer on the licensed premises to purchase alcoholic liquor for her and to engage in acts of prostitution in violation of the Statutes of the State of Illinois and ordinances of the City of Chicago; the Appellate Court held that under the Administrative Review Act the findings and conclusions of the Local Liquor Control Commissioner on questions of fact are to be held prima facie true and correct; that a reviewing court is limited to a consideration of the record to determine if the findings of the Local Liquor Control Commissioner are against the manifest weight of the evidence; that the credibility of the witness was a question for the original agency who heard and saw them testify and that in order for the decision of the administrative agency to be contrary to the weight of the evidence, where the evidence is conflicting, an opposite conclusion must be clearly evident and the Appellate Court so ruled in their decision.

Jose Pepin, Plaintiff-Appellee, vs. *City of Chicago, a Municipal corporation, et al., Defendants-Appellants, Illinois Appellate Court No. 51453.* On January 17, 1967 the Appellate Court entered an order reversing a temporary injunction which had been entered by a judge of the Chancery Division of the County Department of the Circuit Court of Cook County and which restrained the City from carrying out an order of demolition entered by a judge of the Municipal Department of the Circuit Court of Cook County. An action for demolition was filed in the Municipal Department of the Circuit Court seeking to demolish the premises at No. 1916 W. Ohio Street, Chicago;. On April 15, 1966, Judge Kvistad of the Municipal Department entered an order of demolition. While the demolition action was pending, the owner of the premises filed an action in the Chancery Division of the County Department of the Circuit Court of Cook County seeking to restrain the City of Chicago and certain officials from interfering with the rehabilitation of the subject property. Four days after the demolition order was entered, Judge Covelli of the County Department entered a temporary injunction restraining the City from carrying out the demolition order. The Appellate Court of Illinois, First District, held that the court first obtaining jurisdiction of the controversy retained it to the exclusion of another court of concurrent jurisdiction.

Airline shall also be entitled to sublease any of such premises, in whole (subject to the prior approval of City) or in part, to any other Airline Party or Parties for use in connection with the conduct of air transportation by such other Airline Party or Parties, to the same extent as Airline is entitled to use such premises in its own behalf in connection with its conduct of air transportation. In case of any use of any such premises by Airline on behalf of or in conjunction with any other Airline Party or Parties, or in case of any sublease of any of such premises in accordance with the foregoing provisions, Airline shall remain liable for its obligations hereunder and the rights and privileges granted hereunder to Airline, its employees, agents, passengers, guests, patrons and invitees and its or their suppliers of materials and furnishers of service shall be granted with respect to such premises (except as may be otherwise provided in any such sublease) to such other Airline Party or Parties, and its or their employees, agents, passengers, guests, patrons, invitees, suppliers of materials and furnishers of service.

Notwithstanding the foregoing provisions of this Section 1.03, no use of any of the premises leased to Airline under this Article I may be made by Airline on behalf of or in conjunction with any other Airline Party or Parties, and no sublease of any part of such premises may be made by Airline, except in each case with the consent of the Commissioner of Aviation, if such use or sublease involves payment to Airline by any such other Airline Party of an amount greater than Airline's expenses with respect to the premises, facilities and services used by, furnished to or subleased to such other Airline Party.

Said payments to be made in advance, commencing on the effective date of this lease as described in Section 16.02 hereof.

The ground rental shall be payable at the office of the City Comptroller. Any rental payable by Airline hereunder which is not paid when due shall bear interest at the rate of seven per cent (7%) per annum from the due date thereof until paid. If any rental hereunder commences or terminates prior to the last day of any month, such rental for such month shall be determined on a pro rata basis according to the number of days of such month involved.

ARTICLE IV

Section 4.01—Construction of Hangar by Airline Construction and Maintenance of Hangar

Airline shall be permitted to construct on the Demised Premises a hangar (which term as used herein, includes related hangar ramp aprons, facilities and fixtures necessary or incidental to normal operation of a hangar). For the purpose of this Section 4.01, construction of Airline's hangar on the Demised Premises may include construction by Airline of connections with any taxiway, roadway, water line, sewer line, drainage ditch and utility lines serving the Demised Premises. All of the plans and specifications for Airline's construction hereunder shall be submitted to the Commissioner of Aviation and the Commissioner of Public Works for approval prior to the commencement of construction.

Section 4.02—Construction, Maintenance and Repair by Airline

In addition to the initial construction permitted in Section 4.01, above, Airline may construct or install, at its own expense, any buildings, improvements, facilities and equipment, and any additions thereto, on the Demised Premises. All such construction or installation shall be made after obtaining any requisite building or construction licenses or permits. Plans and specifications of any such proposed construction or installation (including the initial construction and any substantial alteration or addition thereto) shall be submitted to and receive the approval of the Commissioner of Aviation and the Commissioner of Public Works prior to the commencement of construction or installation. Subject to the provisions of Section 4.01 and Article VIII hereof, Airline shall keep and maintain all buildings, improvements and facilities and additions thereto, constructed or installed by Airline on the Demised Premises in good condition and repair. No restrictions shall be placed on Airline as to the architects, builders or contractors who may be employed by it in connection with construction, installation, alteration, repair or maintenance by Airline on the Demised Premises. All buildings and permanent improvements constructed by Airline on the Demised Premises shall become the property of City upon completion of construction thereof.

Notwithstanding the foregoing, Airline shall, after completion of the construction provided for by Section 4.01 hereof, keep the Demised Premises and all construction and installations made thereon in a sanitary and sightly condition, and shall comply with all health and safety requirements applicable thereto.

Any advertising signs installed by Airline shall be limited to those which advertise air transportation, and the number, general type, size, design and location of such signs shall be subject to the approval of the Commissioner of Aviation.

Section 4.03—Lighting—Airline shall illuminate the apron in front of each buiding on the Demised Premises with flood lights and shall place and maintain at all times red obstruction lights on the highest point and on each corner of such building and on the highest point of each smoke stack, pole, aerial and antenna on the Demised Premises. The obstruction light fixtures shall be of a dual type and the lights shall be kept burning at Airline's expense from dusk to dawn and during period of restricted visibility.

Section 4.04—Covenant Against Liens—Airline shall keep the Demised Premises and the buildings, improvements and facilities constructed thereon free and clear of any and all liens in any way arising out of the action, or use thereof, by Airline; provided, however, that Airline may in good faith contest the validity of any lien.

Section 4.05—Performance by City upon Failure of Airlines to Maintain

In the event Airline fails to perform for a period of thirty (30) days after notice from City so to do, any obligation required by Sections 4.02, 4.03 and 4.04 hereof to be performed by Airline, City may enter the premises involved (without such entering causing or constituting a termination of this Lease or an interference with the possession of said premises by Airline) and do all things necessary to perform such obligation, charging to Airline the cost and expense thereof and Airline agrees to pay City such charge in addition to any other amounts payable by Airline hereunder; provided, however, that if Airline's failure to perform any such obligation endangers the safety of the public or of employees of City, and City so states in its notice to Airline, City may perform such obligation of Airline at any time after the giving of such notice and charge to Airline, and Airline shall pay, as aforsesaid, the cost and expense of such performance.

ARTICLE V

Performance by City

Section 5.01—Facilities Furnished by City—In addition to the taxiways and roadways connections to be constructed by Airline, City has constructed taxiways, roadways, water lines, sewer lines and drainage ditches serving the Demised Premises. Airline is granted the right and privilege to use all of such taxiways, roadways, water lines, sewer lines and drainage ditches in common with others; provided, however, that Airline shall be required to pay to City a reasonable charge for direct metered water supplied by City to Airline through any such water line.

Section 5.02—Maintenance and Operation—City shall operate and maintain, in all respects in a manner consistent with that of a reasonably prudent operator of an airport, and keep in good condition and repair (including the removal of snow, vegetation, stones and other foreign matter as reasonably as may be done, from taxiways, including roadways, apron and taxiways constructed by Airline pursuant to Section 4.01 and located outside the Demised Premises) all taxiways, connections therefrom, roadways, water lines, sewer lines, drainage ditches, additions, improvements, facilities and equipment now or hereafter provided by City serving the Demised Premises but located outside the Demised Premises.

Section 5.03—Taxes on Demised Premises—Airline shall pay any and all taxes or special assessments, if any, which may be levied or assessed upon the Demised Premises; or on any personal property or leasehold of Airline located on the Demised Premises.

Section 5.04—Exclusive Possession—City agrees that Airline, performing its obligations hereunder, shall be entitled to and shall have the exclusive possession and enjoyment of the premises, rights and privileges leased to it hereunder, subject, however, to the provisions hereof.

Section 5.05—Performance by Airline upon Failure of City to Maintain and Operate—In the event City fails to perform, for a period of thirty (30) days after notice from Airline so to do, any obligation required by this Article V to be performed by City, Airline may perform such obligation of City and bill City for the cost to Airline of such performance; provided, however, that if City's failure to perform any such obligation endangers the safety of Airline's operations at the Airport and Airline so states in its notice to City, Airline may perform such obligation of City at any time after the giving of such notice and bill City such cost from any amounts due hereunder or under any other agreement between Airline and City relating to the Airport unless at the time there are no Approved Revenue Bonds outstanding. City, however, shall not be liable to Airline for any loss of revenues to Airline resulting from any of City's acts, omissions or neglect in the maintenance and operation or otherwise by it of the Airport or any facilities now or hereafter connected therewith.

ARTICLE VI

Rules and Regulations

Airline shall observe and obey all rules and regulations governing the conduct and operation of the Airport, promulgated from time to time by City, which are reasonably required for the prudent and efficient operation of the Airport and are not inconsistent with the reasonable exercise by Airline of any right or privilege granted to it hereunder or under any other agreement between Airline and City relating to the Airport or any part thereof, nor inconsistent with safety nor with the rules and regulations of any Federal or State agency having jurisdiction with respect hereto, nor inconsistent with the procedures prescribed or approved from time to time by the Civil Aeronautics Administration or any other governmental authority having jurisdiction over operations at the Airport.

City, however, shall have no control over the rates, fares or charges that Airline may prescribe in connection with its conduct of an air transportation business.

ARTICLE VII

Exercise by City of Governmental Functions

Nothing contained herein shall impair the right of City in the exercise of its governmental functions to require Airline to pay any tax or inspection fees or to procure necessary permits or licenses, provided such requirement is not inconsistent with the rights and privileges granted to Airline hereunder.

ARTICLE VIII

Indemnity and Insurance

Section 8.01—Liability Arising from Act of Airline—Airline agrees to indemnify and hold City harmless from and against all liabilities, judgments, costs, damages and expenses which may accrue against, be charged to or recovered from City by reason or on account of damage to the property of City or the property of, injury to or death of any person, arising from Airline's use and occupancy of and operations at the Airport, including acts of its agents, contractors and subcontractors, except when caused by City's sole negligence or by the joint negligence of City and any person other than Airline, its agents, contractors and subcontractors; provided that City shall give Airline prompt and timely notice of any claim made or suit instituted which, in any way, affects Airline or its insurer, and Airline or its insurer shall have the right to compromise and defend the same to the extent of their own interests. Any final judgment rendered against City for any cause for which Airline is liable hereunder shall be conclusive against Airline as to liability and amount.

Airline shall, at its own expense, keep in force insurance of the following types and in not less than the following amounts, issued by a company or companies of sound and adequate financial responsibility, insuring Airline and City against all liabilities for accidents arising out of or in con-

nection with Airline's use and occupancy of and operations at the Airport, except when caused by City's negligence alone or jointly with any person other than Airline, its agents, contractors and subcontractors, and shall furnish to City certificates evidencing such insurance, naming City as an additional assured thereunder, subject to the limitations set forth above in respect to City's negligence, to wit:

Aircraft Public Liability Insurance	$ 100,000 per person
	$1,000,000 per accident
Aircraft Property Damage Insurance	$ 200,000 per accident
Comprehensive Public Liability Insurance	$ 100,000 per person
	$ 250,000 per accident
Comprehensive Property Damage Insurance	$ 100,000 per accident

If pursuant to any other agreement between Airline and City, Airline is complying with requirements identical with those of this Section, such compliance shall also serve as compliance with the requirements of this Section.

Section 8.02—Insurance in Connection with Construction by Airline—Airline shall, until the date of completion of Airline's hangar being constructed by Airline, keep in force insurance issued by a responsible insurance company or companies, insuring City against all liabilities for public liability or property damage arising out of or in connection with the construction upon or the use and occupancy of the Demised Premises in amounts of comprehensive insurance not less than those provided in Section 8.01 hereof, and insuring Airline's hangar during construction under completed builder's risk insurance, against fire, extended coverage, vandalism and sprinkler leakage in an amount equal to the full insurable value of such construction as the same progresses in order to assure continuity of construction and ultimate completion despite damage or destruction suffered during the course thereof.

Section 8.03—Insurance of Airline's Hangar After Construction—Airline shall obtain and keep in effect at all times during the term of this Agreement fire and extended coverage insurance upon hangar. The policy or policies of insurance acceptable to Comptroller shall be for not less than eighty per cent (80%) of the full insurable value of hangar and other improvements and proceeds therefrom shall be expended for the repair and restoration of said hangar and other improvements which Airline agrees it shall undertake to do as is further provided in Section 8.04 hereof.

Section 8.04—Repair or Restoration of Hangar—If during the term hereof the hangar shall be destroyed or damaged in whole or in part by fire or other cause, Airline shall promptly repair, replace and rebuild the same, with and to the extent of the insurance proceeds available, at least to the extent of the value and as nearly as possible to the character of the hangar existing immediately prior to such occurrence. Airline shall submit plans for such replacement or rebuilding to the Commissioner of Aviation and the Commissioner of Public Works for approval prior to the commencement of any construction. The period of time during which Airline is repairing, restoring or rebuilding said hangar or other improvements subsequent to damage or destruction thereof by fire or otherwise, shall not be considered abandonment or nonuse of the premises under the provisions of this agreement. Airline shall continue to pay the ground rental hereunder during the period said hangar shall be damaged or destroyed.

ARTICLE IX

Termination by City

City may terminate this Lease by giving Airline sixty (60) days advance notice upon or after the happening and during the continuance of any one of the following events:

(a) The filing by Airline of a voluntary petition in bankruptcy. In such event, City shall have the right to file a claim as a creditor and the rentals due and to become due under the terms of the Lease shall be accelerated and become due and payable.

(b) The institution of proceedings in bankruptcy against Airline and the final adjudication of Airline as a bankrupt pursuant to such proceedings.

(c) The taking by a court of competent jurisdiction for a period of sixty (60) days of all or substantially all of Airline's assets pursuant to proceedings brought under the provisions of any Federal reorganization act.

(d) The appointment of a receiver of all or substantially all of Airline's assets and Airline's failure to vacate such appointment within sixty (60) days thereafter.

(e) The assignment by Airline of its assets for the benefit of its creditors.

(f) The abandonment by Airline of its conduct of air transportation at the Airport.

(g) The default by Airline in the performance of any covenant or agreement required to be performed by Airline herein and the failure of Airline to remedy such default, or to take prompt action to remedy such default, within a period of sixty (60) days after receipt from City of notice to remedy the same.

No waiver by City of default of any of the terms, covenants or conditions hereof to be performed, kept and observed by Airline shall be construed to be or act as a waiver of any subsequent default of any of such terms, covenants and conditions.

ARTICLE X

Recovery of Possession by City

If Airline shall vacate or abandon the Demised Premises or in case of the termination of this Lease, Airline's right to the possession of the Demised Premises shall terminate, with or without any further notice or demand whatsoever, and the mere retention of possession thereafter by Airline shall constitute a forcible detainer of said premises, and upon the termination of Airline's right of possession, as aforesaid, Airline agrees to surrender its possession of said premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of said premises whatsoever, and hereby grants to City full and free license to enter into and upon said premises, or any part thereof, to take possession thereof, as against Airline and others claiming through it, with or without process of law, and to expel and remove Airline and any other person claiming through it who may be occupying said premises, or any part thereof, and City may use such force in and about so expelling and removing Airline and said other person as may reasonably be necessary, and City may, as against Airline and others claiming through it, repossess itself of said premises as of its former

estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of rents due by virtue hereof, nor a waiver of any covenant, agreement or promise herein contained to be performed by Airline.

Airline hereby waives all notice of any election made by City under this Lease, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever of any and every nature which may or shall be required by any statute of this State relating to forcible entry and detainer, or to landlord and tenant, or any other statute, or by the common law during the term of this Lease; provided, however, the foregoing shall not apply to any notice specifically required under the provisions of this Lease. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Airline or the giving or making of any notice or demand, whether according to any statutory provision or not, or any act or series of acts except an express written waiver, shall not be construed as a waiver of any right hereby given City, or as an election not to proceed under the provisions of this Lease.

The obligation of Airline to pay the rent reserved hereby shall not be deemed to be waived, released or terminated, by the service of any five-day notice, other notice to collect, demand for possession, or notice by City that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment or any judgment for possession that may be rendered in such action, or any other act or acts, other than termination of this Lease, resulting in the termination of Airline's right to possession of the Demised Premises. City may collect and receive any rent due from Airline, and payment or receipt thereof shall not waive or affect any such notice, demand, suit or judgment or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which City may have by virtue hereof.

ARTICLE XI

Termination by Airline

Airline may terminate this Lease and any or all of its obligations hereunder at any time that Airline is not in default in the payment of any amount due from it to City hereunder by giving City sixty (60) days advance notice upon or after the happening and during the continuance of any one of the following events:

(a) The failure or refusal of the Federal Aviation Agency to approve all weather operations into and from the Airport of aircraft of any type operated by Airline in scheduled air transportation using facilities similar to those at the Airport and continuance thereof for a period of at least sixty (60) days.

(b) The issuance by any court of competent jurisdiction of an injunction in any way preventing or restraining the use of the Airport or any part thereof so as to substantially affect Airline's use of the Airport in its conduct of an air transportation system and the remaining in force of such injunction, not stayed by way of appeal or otherwise, for a period of at least sixty (60) days.

(c) The issuance of any order, rule or regulation or the taking of any action by the Civil Aeronautics Board or the Federal Aviation Agency or other competent governmental authority, or the occurrence of any fire, other casualty, act of God or the public enemy, substantially affecting, for a period of at least sixty (60) days, Airline's use of the Airport in its conduct of an air transportation system; provided, however, that none of the foregoing is due to any fault of Airline.

(d) The default by City in the performance of any covenant or agreement required to be performed by City herein or in any other agreement between City and Airline relating to the Airport or any part thereof, and the failure of City to remedy such default, or to take prompt action to remedy such default, within a period of sixty (60) days after receipt from Airline of notice to remedy the same.

(e) The substantial restriction of City's operation of the Airport by action of the Federal Government, or any department or agency thereof, under its wartime or emergency powers, or by action of the State of Illinois, or any department or agency thereof, and continuance thereof for a period of not less than sixty (60) days, provided such restriction adversely affects Airline's operations at the Airport.

No waiver by Airline of default of any of the terms, covenants or conditions hereof, or of any other agreement between City and Airline relating to the Airport or any part thereof, to be performed, kept and observed by City shall be construed to be or act as a waiver of any subsequent default of any of such terms, covenants and conditions.

ARTICLE XII

Surrender of Possession

Upon termination of this Lease, Airline shall surrender the Demised Premises, and the buildings and improvements situated thereon, if any, in good condition and repair, reasonable wear and tear excepted.

ARTICLE XIII

Abatement on Account of Casualty

If due to damage or destruction by fire, other casualty, act of God or the public enemy, not due to any fault of Airline, any of the facilities to be furnished by City as provided in Section 5.01 hereof (including the taxiway and roadway connections initially furnished by Airline), shall be rendered unusable to such an extent as to substantially impair the ability of Airline to conduct normal operations on the Demised Premises, then the rental payable hereunder by Airline for the Demised Premises shall be paid up to the date of such damage or destruction, but, unless City shall promptly furnish adequate temporary substitute facilities and expeditiously restore such facilities so damaged or destroyed, such rental shall thereafter abate in an amount directly proportional to the extent Airline's ability to conduct normal operations on the Demised Premises is impaired by such damage or destruction; provided, however, that if City fails to repair such damage or destruction so that Airline's ability to conduct normal operation on the Demised Premises is substantially impaired for more than ninety (90) days, then Airline, at its option, may, by giving to City at least thirty (30) days prior notice, terminate this Lease. City shall not be liable to Airline for damages for City's failure to furnish such temporary

substitute facilities or, except as provided in Section 5.05 hereof, for City's failure to expeditiously restore such facilities.

If due to damage or destruction by fire, other casualty, act of God or the public enemy affecting the Airport, Airline's use of the Airport in its conduct of an air transportation system shall be substantially affected, then, without any prejudice to any right of termination hereunder, Airline shall have the right upon notice to City, to the abatement of a just proportion of the rental provided herein from the time of such notice until normal operations are permitted.

ARTICLE XIV

Right of Airline to Remove Property

Airline shall be entitled during the term of this Lease, and for a reasonable time (not exceeding forty-five (45) days) after its termination, to remove from the premises involved, or any part thereof, all trade fixtures, tools, machinery, equipment, materials and supplies placed thereon by it pursuant to this Lease, subject, however, to any valid lien City may have thereon for unpaid rentals or other amounts, payable by Airline to City hereunder or under any other agreement between City and Airline relating to the Airport or any part thereof, and provided that Airline shall have repaired all damage resulting from such removal.

ARTICLE XV

Definitions

The specific terms used in this Lease shall have the same meanings as defined in the Airport Use Agreement entered into January 1, 1959 by and between City and Airline covering Airline's operations at said Airport.

ARTICLE XVI

Miscellaneous

Section 16.01—Equality of Treatment—No rights or privileges with respect to or rentals for premises leased for hangar purposes at the Airport shall be granted by City to any air transportation company in competition with Airline, which are more favorable to such company than those granted to Airline, and the effect of which is to place Airline at a competitive disadvantage.

Section 16.02—Effective Date of Lease—This Lease shall become effective upon approval of the plans and specifications as provided in Section 4.01 hereof. It is understood that if said plans and specifications are not submitted or approved prior to or within sixty (60) days after date of authorization of the City Council, this lease shall terminate.

Section 16.05—Separability—In the event any covenant, phrase, clause, paragraph, section, condition or provision herein contained is held to be invalid by any court of competent jurisdiction, the invalidity of any such covenant, phrase, clause, paragraph, section, condition or provision shall in no way affect any other covenant, phrase, clause, paragraph, section, condition or provision herein contained.

Section 16.06—Assignment or Sublease—Airline may assign this Lease and its rights hereunder to any corporation into or with which Airline may merge or consolidate, or which may succeed to the business and assets of Airline. Airline shall be further permitted to assign this Lease only to any wholly owned subsidiary corporation, and in such event, Airline shall be permitted to exercise all of the rights granted to it hereunder as a sub-tenant of said wholly owned subsidiary corporation.

In the event of any assignment or sublease hereunder, Airline shall remain primarily liable for the payment of rentals and other charges required hereunder.

Section 16.07—Remedies Cumulative—The rights and remedies hereunder are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Section 16.08—Headings—The Article and Section headings contained herein are for convenience of reference only and are not intended to define, limit or describe the scope or intent of any provision of this Lease.

Section 16.09—Successors and Assigns—All of the covenants, stipulations and agreements herein contained shall, subject to the provisions of Section 16.06 hereof, inure to the benefit of and be binding upon the successors and assigns of the parties hereto.

Section 16.11—Counterparts—This Lease has been executed in several counterparts, each of which shall be an original, and all collectively but one instrument.

ARTICLE XVII

City, as part of this Agreement of Lease, and in consideration of the covenants and consideration contained herein, the receipt and adequacy whereof is hereby acknowledged by City, does hereby grant to Airline insofar as City is able so to do the right to extend this Agreement of Lease upon the same terms and conditions including rental for a term commencing as of the expiration date specified in Article II herein and expiring on December 31, 1998.

Airline shall indicate its intention to exercise its option to so extend this Agreement of Lease by notice in writing to City given not less than sixty (60) days prior to the expiration date of the initial term granted herein as specified in the said Article II, and upon proper approval by City this agreement of lease shall be so extended.

ARTICLE XVIII

Airline agrees that in performing under this agreement it shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color or national origin, nor otherwise commit an unfair labor practice. Airline further agrees that this article will be incorporated by Airline in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this agreement. Stevenson. WHEREAS, The Adlai E. Stevenson Memorial Fund has set up a new Center of International Studies, which will revolve around a world rather than a national conception, inspired by and in keeping with the independent and constructive thinking of this great man, who as a lawyer, as a politician, as Governor of Illinois, as a presidential candidate, as United States Ambassador to the United Nations, and as a beloved and respected human being is an example of selfless devotion to the ideals of a great society. Tribute Paid to Late Astronauts Major Virgil I. Grissom, Lieutenant Colonel Edward H. White II and Lieutenant Commander Roger B. Chaffee.

Honorable Richard J. Daley, Mayor, on behalf of himself and the other members of the City Council submitted the following proposed resolution:

WHEREAS, The Nation and the world mourned with the passing on January 27th, 1967, of the three Astronauts, Major Virgil I. (Gus) Grissom, Lieutenant Colonel Edward H. White, II, of the Air Force and Lieutenant Commander Roger B. Chaffee, who died in their Apollo Capsule when fire swept through the Spacecraft during a routine test for the first manned flight of Project Apollo; and

WHEREAS, Major Grissom was one of the original Mercury space pilots and was command pilot of the first manned Gemini Mission, Lt. Colonel White, a graduate of the United States Military Academy in 1952 and of the Air Force Test Pilot School, was the first American to walk in space and the first astronaut to propel himself in space. The flight was to have been the first for Chaffee; and

WHEREAS, In their silvery, pressurized spacesuits, with helmet faceplates closed, they reclined in a row on padded couches in their cylindrical Apollo Capsule No. 12, running through the countdown of a simulated launch, a routine but rigorous rehearsal for the real thing, a flight of Apollo 204. They had been there five hours and 31 minutes when fire exploded in the cabin. They had worked and died together in the Nation's service. In each case there was the loss of a husband, a father, a son, a friend, and shock and anguish as a result of the accident that killed them; and

WHEREAS, Underlying their dedication and cour-

age was a perfectionism and thoroughness that was required to master the incredibly intricate tools of their highly technical trade. They were brilliant technicians as well as courageous pioneers. They realized there had to be failures, even sacrifices made in the program. Grissom said: "If we die, we want people to accept it. We are in a risky business, and we hope that if anything happens to us it will not delay the program. The conquest of space is worth the risk of life."; and

WHEREAS, This body, in this Chamber did proclaim March 30, 1965, to be Astronaut Day in the City of Chicago and extended to Major Virgil I. (Gus) Grissom and Lt. Commander John W. Young, a most cordial welcome, a ticker-tape motorcade procession, and proudly proclaimed them to be honorary citizens of Chicago, and the people of Chicago anxiously followed the progress of many brave astronauts in America's space program, the countdowns, the fiery blast-offs, the adroit maneuvering and the heroic rescues from the sea; they now join in the Nation's affection for these heroes and its sorrow; now, therefore,

Be It Resolved, That we the members of the City Council of the City of Chicago in meeting assembled on this 6th day of March, A.D., 1967, on behalf of the people of Chicago, make public acknowledgment of our esteem for these chosen ones; bespeak the sorrow and sense of loss of this body and the people of Chicago at the passing of Virgil I. (Gus) Grissom, Edward H. White, II and Roger B. Chaffee, whose courage and brilliant accomplishments as men of the Armed Services and as citizens will never be forgetten, and extend to their wives and families our most sincere condolences.

For them it may be said as in the Alma Mater of West Point Academy: "And when our work is done and our course on earth is run, may it be said, 'Well done; be thou at peace'."

Committee consideration was dispensed with by unanimous consent, and on motion of Alderman Keane said proposed resoultion was *Adopted,* unanimously, by a rising vote.

For the last twenty-one years he had been hearing tax cases, often as many as forty or fifty a day. He carried a full work load until he entered the hospital in December, 1966, after an accident in which he suffered fractured ribs when the wind blew him against a bench in the Civic Center Plaza; and

WHEREAS, Judge William Brothers was most highly regarded by both bench and bar. On April 1, 1965, more than three hundred lawyers, judges, and friends honored him on his eightieth birthday. Court Decision.

Also a communication from the Department of Law dated January 23, 1967 signed by Sydney R. Drebin, Head of Appeals and Review Division and approved by Mr. Raymond Simon, Corporation Counsel, advising the Council that on January 19, 1967 the Illinois Supreme Court rendered its opinion sustaining the constitutionality of the Chicago Fair Housing ordinance, passed by the City Council on September 11, 1963 in the cause entitled *The Chicago Real Estate Board, et al., Appellants, vs. City of Chicago, et al., etc., Appellees, Illinois Supreme Court No. 39936.* The ordinance adopted by the City Council on the date noted above declares it unlawful for real estate brokers to discriminate on account of race, color, religion, national origin or ancestry in the sale, rental or financing of residential property in the City; the ordinance also declares, in substance, that it is unlawful for brokers to solicit sales of property from white persons on the ground that the loss of value will ensue because negroes had moved or were about to move into a neighborhood, a practice commonly referred to as "panic peddling"; the administrative machinery for enforcement of the ordinance is vested in the Commission on Human Relations. The Court in sustaining the ordinance held that the City of Chicago has the expressed delegated power under the statutes of the State of Illinois to regulate brokers; the express power to regulate a particular business has been held to include the power to enact police regulations for that business. From the analysis of the evidence in the above entitled cause, the Court held that the ordinance in no way infringed upon the constitutional guarantees of due process or equal protection of the law.—*Placed on File.*

Article I

Premises

Section 1.01—Lease of Premises—Use of Demised Premises.

City does hereby lease to Airline, and Airline does hereby lease from City a parcel of land comprising fifty-one and eight thousand seven hundred twenty-one ten thousandths (51.8721) acres (hereinafter, together with any buildings and improvements now or hereafter located thereon, referred to as the "Demised Premises") located at the Airport in the Hangar Area and shown as outlined in "Red" and described in Exhibit A attached hereto, together with the facilities, rights and privileges hereinafter described.

Airline is hereby granted the exclusive use of the Demised Premises, subject to the terms and provisions hereof and to rules and regulations promulgated by City in accordance with Article VI hereof for any and all purposes reasonably necessary or convenient in connection with the conduct by Airline of air transportation, including, without limitation, the following:

(b) the loading and unloading of persons, property, cargo and mail upon or from aircraft operated by Airline or by any other scheduled air transportation company; provided, however, such loading and unloading shall not be so conducted as to constitute use of the demised premises as a substitute for normal passenger terminal area operations;

(c) the servicing of aircraft and other equipment operated by Airline or by any other scheduled air transportation company, with gasoline, oil, greases, lubricants and any other fuel or propellant, and with foods, beverages and other supplies and materials;

(d) the training of personnel in its employ or under its direction;

(e) the maintenance and operation, subject to the approval of the Commissioner of Aviation with respect to compliance with applicable safety requirements, or facilities and equipment for the storage, handling and dispensing of gasoline, oil, greases, lubricants and any other fuel or propellant, and other supplies and material;

(h) the maintenance and operation of a private cafeteria, restaurant and other food and beverage preparing and dispensing facilities and equipment for the purpose of preparing and serving foods and beverages for consumption by Airline's employees and invitees and for consumption on aircraft operated by Airline or by any other scheduled air transportation company; provided, however, that nothing contained in this subparagraph (h) shall be deemed to give Airline the right to maintain or operate a public cafeteria, restaurant or other food and beverage preparing and dispensing facilities and equipment for the purpose of selling food or beverages to the public as a caterer or otherwise;

(i) the maintenance and operation of automobile parking areas on the demised premises for the parking of automobiles by Airlines' employees and invitees;

(l) the purchase or otherwise obtaining and using of property of any nature, reasonably necessary or convenient for its operations, from any supplier of its choice; and

(m) the maintenance and operation of hangar buildings, facilities and equipment and the carrying on of activities reasonably necessary or convenient in connection with the foregoing;

provided, however, that the foregoing shall not permit the conduct by Airline of any business separate from its operation of an air transportation system; and further provided, that the rights conferred under this Article I may be exercised by Airline alone or in conjunction with other Airline Parties, directly or through another designated by it or them, excepting that the rights conferred by subparagraph (c) above to service aircraft and other equipment with gasoline, oil, greases, lubricants, and other fuel or propellant may be exercised by Airline in conjunction with other Airline Parties, either directly or through another designated by them, only with respect to aircraft and other equipment operated by Airline Parties.

Section 1.02—Ingress and egress. Right to connect taxiway, roadways, etc.

Subject to rules and regulations promulgated by City in accordance with Article VI hereof, Airline shall have the right and privilege over the Airport of ingress to and egress from the demised premises for its employees, agents, passengers, guests, patrons and invitees, its or their suppliers of materials and furnishers of service, and its or their aircraft, equipment, vehicles, machinery and other property, including the right to construct, install, maintain, use and operate facilities and equipment on the Airport for the purpose of connecting the demised premises with taxiways, roadways, water lines, sewer lines, drainage ditches and utility lines serving the Hangar Site Area, any such connection to be at a point and over a route approved by the Commissioner of Aviation and the Commissioner of Public Works, as being the most practical place and route available. Airline shall pay all charges for electric power furnished to the demised premises. Except as in this Lease or any other Agreement between City and Airline otherwise specifically provided, no charges, fees or tolls of any nature, direct or indirect, shall be imposed by City upon Airline, its employees, agents, passengers, guests, patrons and invitees, its or their suppliers of materials and furnishers of service, for such right of ingress and egress, or for the privilege of purchasing, selling or using any materials or services purchased or otherwise obtained by Airline as provided in subparagraphs (k) and (l) of this Section, or transporting, loading, unloading or handling persons, property, cargo, or mail in connection with Airline's business or exercising any right or privilege granted by City hereunder. The foregoing shall not preclude City or its concessionaires from making and collecting a charge for the use of public automobile parking areas, sightseeing facilities or ground transportation to or from the Airport furnished by City or its concessionaires, or preclude City from imposing any sales, occupation or other taxes provided by law, permit or license fee not inconsistent with the rights and privileges granted to Airline hereunder.

Section 1.03—Use of Premises on Behalf of or by Others.

Any of the premises leased to Airline under this Article I may also be used, in whole or in part, by Airline on behalf of or in conjunction with any other Airline Party or Parties in connection with the conduct of air transportation by such other Airline Party or Parties, to the same extent as Airline is entitled to use such premises in its own behalf in connection with its conduct of air transportation. Airline shall also be entitled to sublease any of such premises, in whole (subject to the prior approval of City) or in part, to any other Airline Party or Parties for use in connection with the conduct of air transportation by such other Airline Party or Parties, to the same extent as Airline is entitled to use such premises in its own behalf in connection with its conduct of air transportation. In case of any use of any of such premises by Airline on behalf of or in conjunction with any other Airline Party or Parties, or in case of any sublease of any of such premises in accordance with the foregoing provisions, Airline shall remain liable for its obligations hereunder and the rights and privileges granted hereunder to Airline, its employees, agents, passengers, guests, patrons and invitees and its or their suppliers of materials and furnishers of service shall be granted with respect to such premises (except as may be otherwise provided in any such sublease) to such other Airline Party or Parties, and its or their employees, agents, passengers, guests, patrons, invitees, suppliers of materials and furnishers of service.

Notwithstanding the foregoing provisions of this Section 1.03, no use of any of the premises leased to Airline under this Article I may be made by Airline on behalf of or in conjunction with any other Airline Party or Parties, and no sublease of any part of such premises may be made by Airline, except in each case with the consent of the Commissioner of Aviation, if such use or sublease involves payment to Airline by any such other Airline Party of an amount greater than Airline's expenses with respect to the premises, facilities and services used by, furnished to or subleased to such other Airline Party.

Article II

Term

This Lease shall be for a term of twenty (20) years commencing on the ..... day of ....., 1967, and unless earlier terminated or extended as provided herein, expiring on the ..... day of ....., 198.....

Article III

As rental for the Demised Premises, and all of the rights granted hereunder, Airline shall pay on or before the first day of each calendar month a monthly rental (hereinafter called "ground rental") of Eight Thousand Six Hundred Forty-five and 35/100 Dollars ($8,645.35). Said payments to be made in advance, commencing on the effective date of this lease as described in Section 16.02 hereof.

The ground rental shall be payable at the office of the City Comptroller. Any rental payable by Airline hereunder which is not paid when due shall bear interest at the rate of seven per cent (7%) per annum from the due date thereof until paid. If any rental hereunder commences or terminates prior to the last day of any month, such rental for such month shall be determined on a pro rata basis according to the number of days of such month involved.

Article IV

Construction and Maintenance of Hangar

Section 4.01—Construction of Hangar by Airline.

Airline shall be permitted to construct on the Demised Premises a hangar (which term as used herein, includes related hangar ramp aprons, facilities and fixtures necessary or incidental to normal operation of a hangar). For the purpose of this Section 4.01, construction of Airline's hangar on

the Demised Premises may include construction by Airline of connections with any taxiway, roadway, water line, sewer line, drainage ditch and utility lines serving the Demised Premises. All of the plans and specifications for Airline's construction hereunder shall be submitted to the Commissioner of Aviation and the Commissioner of Public Works for approval prior to the commencement of construction.

Section 4.02—Construction, Maintenance and Repair by Airline.

In addition to the initial construction permitted in Section 4.01, above, Airline may construct or install, at its own expense, any buildings, improvements, facilities and equipment, and any additions thereto, on the Demised Premises. All such construction or installation shall be made after obtaining any requisite building or construction licenses or permits. Plans and specifications of any such proposed construction or installation (including the initial construction and any substantial alteration or addition thereto) shall be submitted to and receive the approval of the Commissioner of Aviation and the Commissioner of Public Works prior to the commencement of construction or installation. Subject to the provisions of Section 4.01 and Article VIII hereof, Airline shall keep and maintain all buildings, improvements and facilities and additions thereto, constructed or installed by Airline on the Demised Premises in good condition and repair. No restrictions shall be placed on Airline as to the architects, builders or contractors who may be employed by it in connection with construction, installation, alteration, repair or maintenance by Airline on the Demised Premises. All buildings and permanent improvements constructed by Airline on the Demised Premises shall become the property of City upon completion of construction thereof.

Notwithstanding the foregoing, Airline shall, after completion of the construction provided for by Section 4.01 hereof, keep the Demised Premises and all construction and installations made thereon in a sanitary and sightly condition, and shall comply with all health and safety requirements applicable thereto.

Any advertising signs installed by Airline shall be limited to those which advertise air transportation, and the number, general type, size, design and location of such signs shall be subject to the approval of the Commissioner of Aviation.

Section 4.03—Lighting—Airline shall illuminate the apron in front of each building on the Demised Premises with flood lights and shall place and maintain at all times red obstruction lights on the highest point and on each corner of such building and on the highest point of each smoke stack, pole, aerial and antenna on the Demised Premises. The obstruction light fixtures shall be on a dual type and the lights shall be kept burning at Airline's expense from dusk to dawn and during period of restricted visibility.

Section 4.04—Covenant Against Liens—Airline shall keep the Demised Premises and the buildings, improvements and facilities constructed thereon free and clear of any and all liens in any way arising out of the action, or use thereof, by Airline; provided, however, that Airline may in good faith contest the validity of any lien.

Section 4.05—Performance by City upon Failure of Airline to Maintain.

In the event Airline fails to perform for a period of thirty (30) days after notice from City so to do, any obligation required by Sections 4.02, 4.03 and 4.04 hereof to be performed by Airline, City may enter the premises involved (without such entering causing or constituting a termination of this Lease or an interference with the possession of said premises by Airline) and do all things necessary to perform such obligation, charging to Airline the cost and expense thereof and Airline agrees to pay City such charge in addition to any other amounts payable by Airline hereunder; provided, however, that if Airline's failure to perform any such obligation endangers the safety of the public or of employees of City, and City so states in its notice to Airline, City may perform such obligation of Airline at any time after the giving of such notice and charge to Airline, and Airline shall pay, as aforesaid, the cost and expense of such performance.

Article V
Performance by City

Section 5.01—Facilities Furnished by City—In addition to the taxiways and roadways connections to be constructed by Airline, City has constructed taxiways, roadways, water lines, sewer lines and drainage ditches serving the Demised Premises. Airline is granted the right and privilege to use all of such taxiways, roadways, water lines, sewer lines and drainage ditches in common with others; provided, however, that Airline shall be required to pay to City a reasonable charge for direct metered water supplied by City to Airline through any such water line.

Section 5.02—Maintenance and Operation—City shall operate and maintain, in all respects in a manner consistent with that of a reasonably prudent operator of an airport, and keep in good condition and repair (including the removal of snow, vegetation, stones, and other foreign matter as reasonably as may be done, from taxiways, including roadways, apron and taxiways constructed by Airline pursuant to Section 4.01 and located outside the Demised Premises) all taxiways, connections therefrom, roadways, water lines, sewer lines, drainage ditches, additions, improvements, facilities and equipment now or hereafter provided by City serving the Demised Premises but located outside the Demised Premises.

Section 5.03—Taxes on Demised Premises—Airline shall pay any and all taxes or special assessments, if any which may be levied or assessed upon the Demised Premises; or on any personal property or leasehold of Airline located on the Demised Premises.

Section 5.04—Exclusive Possession—City agrees that Airline, performing its obligations hereunder, shall be entitled to and shall have the exclusive possession and enjoyment of the premises, rights and privileges leased to it hereunder, subject, however, to the provisions hereof.

Section 5.05 — Performance by Airline upon Failure of City to Maintain and Operate — In the event City fails to perform, for a period of thirty (30) days after notice from Airline so to do, any obligation required by this Article V to be performed by City, Airline may perform such obligation of City and bill City for the cost to Airline of such performance; provided, however, that if City's failure to perform any such obligation endangers the safety of Airline's operations at the Airport and Airline so states in its notice to City, Airline may perform such obligation of City at any time after the giving of such notice and bill City for Airline's cost of such performance, but Airline shall not deduct any such cost from any amounts due hereunder or under any other agreement between Airline and City relating to the Airport unless at the time there are no Approved Revenue Bonds out-

standing. City, however, shall not be liable to Airline for any loss of revenues to Airline resulting from any of City's acts, omissions or neglect in the maintenance and operation or otherwise by it of the Airport or any facilities now or hereafter connected therewith.

Article VI

Rules and Regulations

Airline shall observe and obey all rules and regulations governing the conduct and operation of the Airport, promulgated from time to time by City, which are reasonably required for the prudent and efficient operation of the Airport and are not inconsistent with the reasonable exercise by Airline of any right or privilege granted to it hereunder or under any other agreement between Airline and City relating to the Airport or any part thereof, nor inconsistent with safety nor with the rules and regulations of any Federal or State agency having jurisdiction with respect thereto, nor inconsistent with the procedures prescribed or approved from time to time by the Civil Aeronautics Administration or any other governmental authority having jurisdiction over operations at the Airport.

City, however, shall have no control over the rates, fares or charges that Airline may prescribe in connection with its conduct of an air transportation business.

Article VII

Exercise by City of Governmental Functions

Nothing contained herein shall impair the right of City in the exercise of its governmental functions to require Airline to pay any tax or inspection fees or to procure necessary permits or licenses, provided such requirement is not inconsistent with the rights and privileges granted to Airline hereunder.

Article VIII

Indemnity and Insurance

Section 8.01—Liability Arising from Act of Airline—Airline agrees to idemnify and hold City harmless from and against all liabilities, judgments, costs, damages and expenses which may accrue against, be charged to or recovered from City by reason or on account of damage to the property of City or the property of, injury to or death of any person, arising from Airline's use and occupancy of and operations at the Airport, including acts of its agents, contractors and subcontractors, except when caused by City's sole negligence or by the joint negligence of City and any person other than Airline, its agents, contractors and subcontractors; provided that City shall give Airline prompt and timely notice of any claim made or suit instituted which, in any way, affects Airline or its insurer, and Airline or its insurer shall have the right to compromise and defend the same to the extent of their own interests. Any final judgment rendered against City for any cause for which Airline is liable hereunder shall be conclusive against Airline as to lability and amount.

Airline shall, at its own expense, keep in force insurance of the following types and in not less than the following amounts, issued by a company or companies of sound and adequate financial responsibility, insuring Airline and City against all liabilities for accidents arising out of or in connection with Airline's use and occupancy of and operations at the Airport, except when caused by City's negligence alone or jointly with any person other than Airline, its agents, contractors and subcontractors, and shall furnish to City certificates evidencing such insurance, naming City as an additional assured thereunder, subject to the limitations set forth above in respect of City's negligence, to-wit:

Aircraft Public Liability Insurance	$ 100,000 per person $1,000,000 per accident
Aircraft Property Damage Insurance	$ 200,000 per accident
Comprehensive Public Liability Insurance	$ 100,00 per person $ 250,000 per accident
Comprehensive Property Damage Insurance	$ 100,000 per accident

If pursuant to any other agreement between Airline and City, Airline is complying with requirements identical with those of this Section, such compliance shall also serve as compliance with the requirements of this Section.

Section 8.02 — Insurance in Connection with Construction by Airline — Airline shall, until the date of completion of Airline's hangar being constructed by Airline, keep in force insurance issued by a responsible insurance company or companies, insuring City against all liabilities for public liability or property damage arising out of or in connection with the construction upon or the use and occupancy of the Demised Premises in amounts of comprehensive insurance not less than those provided in Section 8.01 hereof, and insuring Airline's hangar during construction under completed builder's risk insurance, against fire, extended coverage, vandalism and sprinkler leakage in an amount equal to the full insurable value of such construction as the same progresses in order to assure continuity of construction and ultimate completion despite damage or destruction suffered during the course thereof.

Section 8.03 — Insurance of Airline's Hangar After Construction.

Airline shall obtain and keep in effect at all times during the term of this Agreement fire and extended coverage insurance upon hangar. The policy or policies of insurance acceptable to Comptroller shall be for not less than eighty per cent (80%) of the full insurable value of hangar and other improvements and proceeds therefrom shall be expended for the repair and restoration of said hangar and other improvements which Airline agrees it shall undertake to do as is further provided in Section 8.04 hereof.

Section 8.04 — Repair or Restoration of Hangar — If during the term hereof the hangar shall be destroyed or damaged in whole or in part by fire or other cause, Airline shall promptly repair, replace and rebuild the same, with and to the extent of the insurance proceeds available, at least to the extent of the value and as nearly as possible to the character of the hangar existing immediately prior to such occurrence. Airline shall submit plans for such replacement or rebuilding to the Commissioner of Aviation and the Commissioner of Public Works for approval prior to the commencement of any construction. The period of time during which Airline is repairing, restoring or rebuilding said hangar or other improvements subsequent to damage or destruction thereof by fire or otherwise, shall not be considered abandonment or nonuse of the premises under the provisions of this agreement. Airline shall continue to pay the ground rental hereunder during the period said hangar shall be damaged or destroyed.

Article IX

Termination by City

City may terminate this Lease by giving Airline sixty (60) days advance notice upon or after the

happening and during the continuance of any one of the following events:

(a) The filing by Airline of a voluntary petition in bankruptcy. In such event, City shall have the right to file a claim as a creditor and the rentals due and to become due under the terms of the Lease shall be accelerated and become due and payable.

(b) The institution of proceedings in bankruptcy against Airline and the final adjudication of Airline as a bankrupt pursuant to such proceedings.

(c) The taking by a court of competent jurisdiction for a period of sixty (60) days of all or substantially all of Airline's assets pursuant to proceedings brought under the provisions of any Federal reorganization act.

(d) The appointment of a receiver of all or substantially all of Airline's assets and Airline's failure to vacate such appointment within sixty (60) days thereafter.

(e) The assignment by Airline of its assets for the benefit of its creditors.

(f) The abandonment by Airline of its conduct of air transportation at the Airport.

(g) The default by Airline in the performance of any covenant or agreement required to be performed by Airline herein and the failure of Airline to remedy such default, or to take prompt action to remedy such default, within a period of sixty (60) days after receipt from City of notice to remedy the same.

No waiver by City of default of any of the terms, covenants or conditions hereof to be performed, kept and observed by Airline shall be construed to be or act as a waiver of any subsequent default of any such terms, covenants and conditions.

Article X

Recovery of Possession by City

If Airline shall vacate or abandon the Demised Premises or in case of the termination of this Lease, Airline's right to the possession of the Demised Premises shall terminate, with or without any further notice or demand whatsoever, and the mere retention of possession thereafter by Airline shall constitute a forcible detainer of said premises, and upon the termination of Airline's right of possession, as aforesaid, Airline agrees to surrender its possession of said premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of said premises whatsoever, and hereby grants to City full and free license to enter into and upon said premises, or any part thereof, to take possession thereof, as against Airline and others claiming through it, with or without process of law, and to expel and remove Airline and any other person claiming through it who may be occupying said premises, or any part thereof, and City may use such force in and about so expelling and removing Airline and said other person as may reasonably be necessary, and City may, as against Airline and others claiming through it, repossess itself of said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of rents due by virtue hereof, nor a waiver of any covenant, agreement or promise herein contained to be performed by Airline.

Airline hereby waives all notice of any election made by City under this Lease, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever of any and every nature which may or shall be required by any statute of this State relating to forcible entry and detainer, or to landlord and tenant, or any other statute, or by the common law during the term of this Lease; provided, however, the foregoing shall not apply to any notice specifically required under the provisions of this Lease. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach thereof by Airline or the giving or making of any notice or demand, whether according to any statutory provision or not, or any act or series of acts except an express written waiver, shall not be construed as a waiver of any right hereby given City, or as an election not to proceed under the provisions of this Lease.

Article XI

Termination by Airline

Airline may terminate this Lease and any of all of its obligations hereunder at any time that Airline is not in default in the payment of any amount due from it to City hereunder by giving City sixty (60) days advance notice upon or after the happening and during the continuance of any one of the following events:

(a) The failure or refusal of the Federal Aviation Agency to approve all weather operations into and from the Airport of aircraft of any type operated by Airline in scheduled air transportation using facilities similar to those at the Airport and continuance thereof for a period of at least sixty (60) days.

(b) The issuance by any court of competent jurisdiction of an injunction in any way preventing or restraining the use of the Airport or any part thereof so as to substantially affect Airline's use of the Airport in its conduct of an air transportation system and the remaining in force of such injunction, not stayed by way of appeal or otherwise, for a period of at least sixty (60) days.

(c) The issuance of any order, rule or regulation or the taking of any action by the Civil Aeronautics Board of the Federal Aviation Agency or other competent governmental authority, or the occurrence of any fire, other casualty, act of God or the public enemy, substantially affecting, for a period of at least sixty (60) days, Air-

line's use of the Airport in its conduct of an air transportation system; provided, however, that none of the foregoing is due to any fault of Airline.

(d) The default by City in the performance of any covenant or agreement required to be performed by City herein or in any other agreement between City and Airline relating to the Airport or any part thereof, and the failure of City to remedy such default, or to take prompt action to remedy such default, within a period of sixty (60) days after receipt from Airline of notice to remedy the same.

(e) The substantial restriction of City's operation of the Airport by action of the Federal Government, or any department or agency thereof, under its wartime or emergency powers, or by action of the State of Illinois, or any department or agency therof, and continuance thereof for a period of not less than sixty (60) days, provided such restriction adversely affects Airline's operations at the Airport.

No waiver by Airline of default of any of the terms, covenants or conditions hereof, or of any other agreement between City and Airline relating to the Airport or any part thereof, to be performed, kept and observed by City shall be construed to be or act as a waiver of any subsequent default of any of such terms, covenants and conditions.

City shall not be liable to Airline for damages for City's failure to furnish such temporary substitute facilities or, except as provided in Section 5.05 hereof, for City's failure to expeditiously restore such facilities.

If due to damage or destruction by fire, other casualty, act of God or the public enemy affecting the Airport, Airline's use of the Airport in its conduct of an air transportation system shall be substantially affected, then, without any prejudice to any right of termination hereunder, Airline shall have the right upon notice to City, to the abatement of a just proportion of the rental provided herein from the time of such notice until normal operations are permitted.

On motion of Alderman Sain the proposed ordinance transmitted with the said committee report was *Passed,* by yeas and nays as follows:

Yeas—Aldermen Parrillo, Metcalfe, Holman, Despres, Miller, Bohling, Condon, Lupo, Buchanan, Danaher, Healy, J. P. Alderman Sain moved to *Reconsider* the foregoing vote. The motion was *Lost.*

The following is said ordinance as passed:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of Streets and Sanitation be and he is hereby authorized and directed to execute, and the City Comptroller to accept an agreement in the nature of a permit from the Continental Can Company for use of sidewalk on the south side of W. Pershing Road, three hundred (300) feet east of S. Ashland Avenue, encroaching approximately two (2) feet over and upon the property of said Continental Can Company, which agreement-permit is substantially in form as follows:

AGREEMENT FOR PERMIT

This Agreement entered into by and between Continental Can Company, a corporation of New York, and the City of Chicago, a municipal corporation,

Witnesseth:

That Whereas, the City constructed and is maintaining a sidewalk abutting the property of the Continental Can Company on the south side of W. Pershing Road, three hundred (300) feet east of S. Ashland Avenue, in Chicago, Illinois.

And Whereas, a survey furnished by said Company shows an encroachment of the cement walk approximately two (2) feet over and upon the property of said Company for a distance of ap-

proximately two hundred sixty (260) feet as shown on a copy of said survey attached and made a part hereof.

And Whereas, the said Company has no objection to the encroachment so long as it does not ripen into a legal easement in favor of the City of Chicago over its property, and obtains an acknowledgment of such encroachment from the City of Chicago.

Now, Therefore, in consideration of the sum of One ($1.00) Dollar to it paid, the Continental Can Company, a corporation of New York, does hereby grant permission to the City of Chicago to occupy with its sidewalk so much of the Company property as it now encroaches thereon as shown on said survey, a copy of which is attached hereto, for such period of time as said sidewalk is in use and in existence.

When it is necessary and requisite that said sidewalk has to be repaired or replaced, the City agrees to repair or replace same within the lines of City property and outside the property line of said Company, and when such event occurs, this permit will automatically expire unless or in the event the Company, its successors and assigns, plan to improve its said property to its property line; in which event the City hereby agrees to remove so much of said sidewalk as encroaches upon said Company property as heretofore set forth, upon giving the City sixty (60) days' notice in writing of such plans and intentions.

In Witness Whereof, the parties hereto have executed this instrument by their duly authorized officers, this ..... day of ....., A. D., 196.....
